TWO BOYS INJURED. Aeronaut Beam Fails to Make a Balloon

Ascension on Account of the Storm, Rigging Falls With Disastrous Results. The snapping of a guy rope at the show

grounds Saturday afternoon allowed a heavy thirty-five foot pole to topple over on the heads of a crowd of 1500 people who had assembled to witness Prof. Samuel Ream make a balloon ascension, A lad named Mangus, from Berlin, was struck on the head and seriously injured. but just how badly can not be told, as he was removed to his home the same even-

ing. Harry Sipe's eight-year-old son was also struck by the pole and had one of his arms crippled. There was a wild scramble to get out of the way of the falling timber and the wonder is that none of the crowd were killed.

The day was one of the most unpleasant to be out doors ever witnessed in these parts. The dust and sand that had accumulated on the streets and roads during four months drought was gathered up and driven in blinding clouds by the high wind which prevailed from sunrise

Saturday until Sunday night. Notwithstanding the unfavorable condition of the atmosphere 1,000 strangers were attracted to Somerset by the announcement in last week's HERALD that Prof. Beam would make a balloon ascension at two o'clock that afternoon. At the appointed hour
