> A really palatable Castor Oil can now be had under the name of Laxel.

Wednesday morning Fred R. Sauers, claiming Lebanon as his home, was taken to Ebensburg by Liveryman Thomas Command Colo I Peach, from whom he had hired a horse, and which he attempted to spirit away, having got as far as Huntingdon. Information was at once made, a hearing waived, accused committed to jail, return made bill of indictment framed and submitted to the grand jury Wednesday afternoon and a true bill found. Yesterday morning Sauers plead guilty in court, and was sentenced to two years and nine months in the Western penitentiary, besides paying a fine and the costs. This all happened within 24 hours.
