

WEDNESDAY ...

In the assignment to committees in the House, the Speakerhas placed Mr. Hicks on the committee on Public his lap.

Is it should come to the actual pinch cause, rather than risk their own hide . All this war talk is unprofitable, and time for a calm consideration of the versy. situation, not for brag and bluster.

THE flurry with England in benegit to the front the Mouroe dock me, so much talked of and so little ander-good by the great mass of our people. The gist of the doctrine which has been undatained by this government once its first oromalgation by Per-ideal Moaroe in his message to congress in December, 1823, is as follows:

We owe it, there in e, to there is to deciale all the Dordri con stiempton and oast nex ear se tem to any portion of . is he will Wish the Sissing solotie of dev cles of any European power at the with the government, who have betheir independence and main, selacknowledged, we could not view in temosition for the occoose of oungesting them or con rolling in cay other manne tuest destiny (by any Entopean power) in any other light than s - a m. in - the of an unifiendly disco is on United States.

securities at once fell several points

Apparently, the President become ratified over the threatening maneial His sac ed name. Amen." cloud, and, on Friday evening, he harriedly sent another special me-sage to Congress-that was just about a Journing for the holiday recess-requesting that no adjournment be taken, in order to restore confidence, and to avert a threatened financial disaster. This mesposiponed adjournment, but ao action has as yet been taken on the financial question, nor can nor will there be any legislation on the subject until after mature deliberation.

If Mr. Cleveland thought he could mancial views, he was grossly misaken. His action looks very much like doing the shooting that killed Hawn, but printion for the expenses of a Commission a trick to gain a political point. He they claimed that they shot to frighten knew and knows the impossibility of the men who were destroying the fence speedy action on the financial question. and he thought to place the blame, if trouble comes, upon Congress. The country knows that the wretehed financial condition of to-day was brought about by the legislation and blunders case against Wesley, who stands convictof the administration, whereby our rev- ed of abesting a crime that has no princicaues were largely diminished and gold pat. was drained from our treasury; and no special pleading now can shift the responsibility. That the Republicans in congress will devi en plan to restore our financial affairs to their former healthy condition is not to be don'sed: but this can not be done in an hour or

differences and establish a basis. one is forced upon us by the driveling conduct of the party in power, the country will know where the responsiproving a defaulter.

into Congress a special message relative dead. to Venezuelan affairs conched in terms that electrified and pleased the whole nation. It insists upon the validity of the so-called Monroe doctrine, and clearly indicates a determination to enforce it in the matter of the disputed Venezuelan boundary line. It further recommends that Congress make an appropriation for the expenses of a commission charged with the duty of determining, upon importial evidence. what is the true division line between | both worship the same God, and war the republic of Venezuela and British | should not be; but, after all, Mr. Cleve-Guiana. If it shall appear from this investigation that Great Britain is only claiming such territory as she is clearly entitled to, by treaty and other legitimate means, then we have no cause of quarrel with her; but if the territory in Larson, who has been in a cataleptic studispute belongs of right to a sister re- por for three years at Essex County Hopublic, then we are bound, for the pro- pital, was aroused yesterday by the diatection of our own form of government against foreign invasion or intrigue, to prevent new occupation or invasion of physicians and nurses. When sent to any part of this continent by a Eurepean power.

The message is strong, clear and resolute, though somewhat brusque, and sibly on some subjects, although maniis genuinely American. On this ques- festly weak in mind. tion the people are with the President; and this is clearly indicated by the action of their representatives in Congress. Both Houses, without a dissentadopted a resolution authorizing the

on the refusal of Great Britain to sub- her sister at Kane, Pa., and to all ap- ter. mit the boundary dispute to impartial persones died the next day of dropsy. Soeing that civil liberty was menaced with extinction in South America, Presiarbitration; and, although the course here on Monday her family and friends dent Monroe decided at the opening of that to allow Great Britain to deter- the face and that the limbs were not voice with that of England against the mine for herself the bounds of her pos- rigid. The body has now laid seven days fulfillment of the hostile purposes of the sessions in America, against the protest | in the Baker residence, and the parents | Holy Alliance. It was against the subof a neighboring republic would be "a will not permit it to be interred jugation and reimposition of monarchy supine submission to wrong and injus- until they are certain that the girl is upon the free South American States, by tice" derogatory to our national honor.

It is not to be disguised that the step taken by the President and so hastily acquiesced in by Congress is a serious and responsible one that may lead to of Mr. and Mrs. Phillips, of Taylorville, unpleasant consequences, but it does had a rough experience to-day. The not follow that war will inevitably en- child tambled headforemost down a well the slightest possibility of it. Both na- hand, and she screamed to her husband Powers. tions have too much at stake to submit it to the arbitrament of arms; and fastening one end at the surface, dropwhen the sober second thought comes, ped the other end into the well. It reachpeaceful counsels will prevail, and an ed to the bottom and down this slight

the English public, and the first and are not considered serious.

The Somerset Herald. almost universal declaration of the was only an electioneering scheme of the President to forward his plans for a third term; and although this view ... been somewhat modified, it is still measurably adhered to, as is also are declared determination to ind t r of the course first mapped out by that overnment, come what may.

Ir doss look "pretty steep" if, as he English assert, his government proposes to mark out a boundary line and compel them to accept it, but, as we Venez elaboradary dispere and reconcomprehend it, the object of this commission is only to ascertain, if po-sible, Buildings and Grounds. Now, watch for our future guidance, the true status that Altoona public building drop into of the affair, and not for the purpose of enforcing acquie-cence in our present riews. The shoe pinches principally, however, because of the squarely naof war with Johnny Bull, many of the nonneed determination to stand by Rad patriots now yelling for gore would be enforce, in all time to come, the Monfound, like Artemas Ward, willing to roe doc rine, which European nations sacrifice all their wives' relations in the larve heretofore looked upon as only a President Cleveland says: mere seatimental myth.

Scribner's tor Christmas.

Prices Right.

Frank R. Stockton has a Christmas love story, which bears a characteristic title,—"The Staying Power of Sir Roban," Its illustrations are quaint and exactly soli-A thrilling Detective story by C. E. Carryll, entitled "The River Syndicate," perhaps equaling Sherlock Holmes' best work. Illustrated. Joel Chandler Harris' characteristic tale of a faithful slave—"The Colonel's Nigger-Dog."

Other Christmas stories are "A White Blot," by Henry Van Dyke, a poetic and imaginative tale of a picture (iliustrated); "Heroism of Landers," by A. S. Pier (iliustrated); and "Hopper's Old Man," by R. C. V. Meyers

Sentimental Tommy, By J. M. Barrie.

Those who have read (and who has not?) "The Linie Minister" and "A Window in Thrums" can anticipate what Mr. Barrie's "Sentimental Tommy" will be.

It is to be the chief serial in Scribner's for 1800, beginning in the January number. Two Years for \$4.50.

> Scribner's Magazine costs \$1.00 a year, but new subscribers can have all the numbers for 1805 and a year's subscription for 1806 for \$4.50. Scriptor's Magazine is going to be better next year than ever. It is going to have new features. Its pullishers are not satisfied with past success. It purposes to more thoroughly deserve the confidence of the reading public. ing public,
>
> The History Serial—"Last Quarter Century in the United States"—will be continued. Just now it is approaching a period of absorbing interest to the present generation—the first administration of President Cleve-

Scribner's Magazine ought to get eareful considera-tion as a Christmas gift. The \$4.50 offer ought to get double consideration.
