The Question of Wagon Tires.

Attorney General McCormick gave the Department of Agriculture an opinion last week on the actopassed by the last Legislature to encourage the use of wide | 100 tires upon wagons on the public highways. The opinion is in answer to a question from Secretary Edge as to city, who has placed wide tires upon all his farm wagons, except a covered wagon, which he uses for hauling market products to the city market, can claim the reduction of road tax under the law so

long as his que wagon has narrow tires. The Attorney General says the evident purpose of this legislation was to prevent, No. 248 as far as possible, the use of narrow tires and wagons upon which heavy loads were carried and to encourage the use of wide opinion, however, that a farmer who uses draught wagons carrying 2,000 pounds or more, has them equipped with four-inch | 530 tires, and uses no wagon with a narrow the province of this act and is entitled 100 to the rebate of one-fourth of the as-
