The political sensation of the hour is the visit of Senator Quay to Major McKinley, at the latter's home in Canton, on Friday last. The friends and enemies of both presidential aspirants have since been "kept guessing" as to the nature of the conference, neither of the participants admitting anything except that their conference was "entirely satisfactory."

While there is no longer any doubt about the nomination of the Major, Senator Quay still adheres to his former position, that he will be voted for in the St. Louis convention, and will not withdraw from the contest until it is decided.

The personal relations existing between both of these distinguished statesmen have always been of the most friendly character, and those persons who have anticipated an open rupture between them are likely to be sorely disappointed. While the public may never learn what transpired at the Canton conference, it is safe to say that Senator Quay will have much to do with managing the coming campaign.

QUAY VISITS MCKINLEY. Senator Quay to Canton to Talk With The Major. Senator Quay visited ex-Governor McKinley at his home in Canton on Friday by appointment. Neither gentleman will give an inkling of what was said during their three-hour conversation.

Special Excursion to Denver, Col., June 1st. Mr. O. L. A. M. people and all others going to Denver should remember that the P. & L. E. and Lake Shore railroads have been selected by the Denver Club of Pittsburg and the Denver Club of Irwin, Pa., as the official route.

Wanted to Sell Their Bodies. ST. JOSEPH, Mo., May 22.—"Well, doctor, we have come this morning to sell you our bodies. How much will you give for them?" This was the startling proposition made to Dr. Thompson E. Potter in his office here by a well-dressed young couple, who claimed Harrison county as their home, but who would not divulge their names.

Aliens Must Read. WASHINGTON, May 21.—An immigration bill of much importance was passed by the House yesterday by a vote of 165 to 28. It is the result of study of all the immigration legislation proposed during this session of Congress by Senator Lodge, of Massachusetts, and Congressman Stone, of Pennsylvania, Harbottle, of Missouri, and McCall, of Massachusetts.

Two Candidates. As the time for the meeting of the national convention approaches it is evident that the interest will center on the financial doctrine of the platform. In regard to Democratic nomination it is generally believed that the silver men will have a majority, though the administration is making a hard fight and may turn the tide.

Good Results. Come from long experience. The Cinderella Stoves and Ranges are the result of over five years experience, they have every modern feature, and are made by a housekeeper, and are good bakers and perfect roasters. Sold by J. B. HOLDERBAUM, Somerset, Pa.

Wall Paper! Wall Paper! Wall Paper! The new designs are beautiful and will give your walls a new look.

These are more than 700 liquor saloons in San Francisco, Cal., or one for every 50 of its inhabitants. This breaks the record. Dr. J. G. Johnson, living near Abbeville, S. C., was found dead on the piazza with his dwelling on fire, and foul play is suspected.

At 2:30 p. m. a cannon shot announced that the procession had started from the palace, and immediately all the bells in Moscow set up a ringing, which they continued all day. The procession was probably the most gorgeous spectacle Moscow had ever beheld.

On Saturday evening, aged sixty-five years. In three states, New York, Ohio and Rhode Island, the bicycle is now legally a part of highway baggage. The law means more cycling and more road-making, and ought to be good for both interests.

SPECIFIC FOR SCROFULA. "Since childhood, I have been afflicted with scrofulous boils and sores, which caused me terrible suffering. Physicians were unable to help me, and I only grew worse under their care. At length, I began to take AYER'S Sarsaparilla, and very soon grew better. After using half a dozen bottles I was completely cured, so that I have not had a boil or pimple on any part of my body for the last twelve years. I can cordially recommend Ayer's Sarsaparilla as the very best blood-purifier in existence."—G. T. REINHART, Myersville, Texas.
