PIRE USED BY ROBBERS TO GAIN THEIR OBJECT.

David Berkey has a Desperate Experience. The home of David Berkey, about five miles southeast of Scalp Level, near the village of Ashtola, in Paint township, was the scene, at an early hour Wednes-

day morning, of one of the most dastardly outrages ever committed in Western from the Johnstown Democrat.

The following story of the outrage is Mr. Berkey is 75 years of age and of the most respected citizens in that locality, and is quite wealthy. He was reputed to have large sums of money about his house, and this probably marked it as a place for robbers to make a good haul.

While the family were in their beds about I o'clock Wednesday morning, Mr. Berkey was awakened by a noise as of someone in the room; and he was at Monday afternoon.
