On Tuesday, July 14th, Aaron Shaffer, of Shade township, whose home is hetween Hillsboro and Hooversville, sold ed by a very able and efficient short. two hundred acres of coal bind to Edward J. Berwind for \$4,000 cash.

The deal was made by J. S. Cunningham, of Tyrone, agent and chief mining escape from a shut out for the home team, engineer for Mr. Berwind, who advised Mr. Shaffer to leave the money in the First National Bank instead of taking it composed of all county players at any home, as he originally intended. He did

> On the following Sunday, while Mr. Shafter and family were away from home, robbers entered their residence, evidently expecting to secare the \$4,000. The

would not be a safe man to run against. Asked his reasons for coming to Somerset Mr. Dwyre replied that he was seeking for high ground and that he believes that that the pure air of this altitude is pal contractors here. They have put up most business men of the county. She more invigorating than the atmosphere many of the handsomest buildings in of lower countries. I want to get myself town, and may be relied upon to do a church affairs, having been a consistent in condition for my winter's work," he continued, "and I selected Somerset to without effort she won the friendship and train without ever having seen the place. only having heard it easually mentioned

> by a stranger. I wish you would say in "go" at either John Finnegan, or Williburg, both of whom have been chasing around the Post Office, in that city, talking fight. I have never seen either of the men, but that makes no difference, I'll cover any amount they put up." Dwyre is a native of the "Sunflowe

State" but is not a "Pop." He has fitted up training quarters at the Commercial Hotel, where he has agreed to instruct a class in the art of self defense.

> The Calfernia, Ps. State Normal Provides well for the comfort and

health of its students. Five brick buildings; no building more than three stories high; electric light in every room; new large and beautiful library, &c. But the main thing is the downright earnest work of students and teachers. Send for

catalogue. The Army Worm Has Met His Waterloo in Luzerne County.

Just now when the ravages of the army worm are beginning to be felt in this immediate vicinity the discovery of a Luzerne druggist of a process for their extermination is of general as well as considerable interest. The army worm apwell as physically unfit to participate in peared in Luzerne county some time any business and has seldom been seen since and his ravages have Leon quite per to a cooking range is here in all wide spread. Recently he attacked the when his happiness was most complete near Park in the afternoon. Berlin scor- more and Ohio system. Robert Garrett he met his fate. In a drug store the elerks gathered about a hundred of the worms, and began experimenting with them-not in a way, however, that proved parlor.

entertaining to the worm. The elerks found that by adding a teaspoonful of creoline to one pint of water, and giving the worm a bath in it, it produced almost sudden death. The news spread and all the people of Luzerne, who were holding receptions for the worms hastened to load up with crealine. This they place f in sprinkling pots, and the lawns and gardens in which the worm was holding his lovee with the result that those of the workes which were not killed were content to beat a retreat on the double quick. Luzerne is now rid of the pest. Credline is said to be harmless and does not
