His Speech at a Gather-

ing at Alfred, Me.

THE EVIL OF THE TIMES,

Caused by an Unwise Tariff Re-

vision. MUSHROOM OF THE SILVER PARTY.

Loss of Revenue The Country Needs Again Be Reached - The Tariff and party for good as the six silver senators

The first gun of the campaign in Maine expenditures, and we should have been was fired by Hon Thomas B. Reed the other day. He spoke as follows: If I were going to give good advice to which has come to us by an unwise revithe people of the whole United States, I sion of the tariff has been greatly aggravat-

should take this time to do it. Just now there is a great deal of froth and foun in the air, and some time is really needful to disclose clearly to every eye how much of it is the result of the temporary breeze which stills at nightfall | the redemption of gold, has so afflict and how little there is of that heavy | imagination of our people that con ground swell which shows that great elementary forces are at work. How very suddenly all this rush and stir has set itself into action! Two months ago no man of any standing would have risked his rep-tunan-race. Doubtless you and I think utation as a prophet by hinting the slight-that if we had had the world to make we est doubt of Republican success. Four would have had human progress arranged years of actual trial of the opposition, un- on a continuous upgrade, ten feet or betder the guidance of its best and twice ter to the mile. But God knows human trusted leader, had left no shadow of ques-never stand such monotony and must go tion as to public duty. However far the up hill and down dale. But while depres Republican party might have fallen short sions are common they have their aggraof perfection, nevertheless all men felt that | vating causes, which must be removed it was the best party just now to draw Then, when confidence comes, prosperity

con't make the inistake of thinking that "in 1895 we were prosperous. Our proany something will do. A sick man in ple were all at work. Consequently there proper cases had better take medicine, but he had better be careful what medicine he creased. At that time the figures show takes. There are some political orators who think if they can draw a rose colored gold more than we had \$190,000,000 of gold more than we had in 1882. Every bit picture it ought to convert a contient. What a rosy picture we had painted product of our own mines. It was busy for us in 1892! What millions we were to transferring this vast capital we had bor-

one innocent man should suffer." In his charge to the jury, the judge

Fohley, a native of Ireland, living in "Gentlemen, I want you to bear in Orleans, died at his home, the victim of fidelity to principles. Fohley was a

#### Youth's Companion. A Deception Easily Practiced

is the offer of a reward for "any case of catarrh not cured" by certain "cures" or "blood medicines." Nothing is said regarding the number of bottles required, and therein lies the deception. Cream Balm is an elegant preparation, agreeable to use, and immediate in its beneficial results. It cures catarrh. You can rely upon the fact that it contains no mercury nor other injurious

#### A Judge's Opinion.

Balzac tells of a counselor who has great fondness for sentences of death. The president of the tribunal with which he was connected having asked his opinion on a case which had just been concluded, he started suddenly from sleep and said that the man said the president, "the question is about a meadow." "Then let it be
