Beerits' handsome lawn every August full moon, Last Wednesday night the Club exceeded all previous efforts in the way of decorations and illumination and the spectacle presented by hundreds of beautiful Chinese lanterns lighting up the walks and hidden among the shrubbery and trees was one greatly admired by all who saw it. Unfortunately for the memdelphia, are visiting at the home of the bers of the Club the night air was too cold to permit dancing on the lawn and they were compelled to carry out their program in the parlors of Mr. Beerits'

Reformed Reunion.

The reunion of the Reformed Church in Somerset county, held August 20, 1896, was pronounced a success by every one. The day was fair and the temperature at the right degree for full enjoyment of the exceedingly orderly assembly of several thousand people. The Salisbury Cornet Disciple Church on Wednesday evening Band, whose musical proficiency is well known, added greatly to the occasion by their excellent rendering of several of their numbers. The program arranged for the day was an excellent one, and the speakers treated their subjects both ably and eloquently. Dr. A. R. Kremer, of Berlin, had for his theme, "The Author of the Swiss Reformation," Dr. W. Rupp of the Theological seminary at Lencaster, "The Heidleberg Catechism." Fred. W. Biesecker, Esq., "Reunion." A. L. G Hay, Esq., "The Young People to the Miss Minnie Lenhart, of Somerset, have Front," Dr. A. E. Truxal, "Church Litreturned to their homes after a pleasant erature," H. L. Baer, Esq., "The Women in the Congregation."

Contract Let for the Summer Hotel. Readers of the HERALD and other local papers have been told so often that work on the summer hotel on Tayman Hill would be under way at a certain specified day and have been so often disappointed that they have arrived at a point where they are unwilling to believe that the proposed building will be erected until they have heard the ring of the car-

penter's hammer. We learned to-day from several of the directors of the Hotel Company that the leading teachers in Beaver county, at contract for the hotel building had been present employed in the public schools recently awarded to F. Mertens & Son, remedies for the Nerves, Liver, at Beaver falls, is visiting with her school leading contractors of Cumberland, Md., and that the building will be completed throughout and opened to the public on Mrs. Kate B. Coffroth returned Thurs- June 1st next. We also have it on reliaday from a visit to Atlantic City. She ble authority that at least four cottages mel and Mr. John O. Kimmel, who will grounds before the end of the present Messrs. Dilworth, Simpson, Wood and Scott, of Pittsburg.

Should be Removed. How in the name of the eternal fitness of things the members of town council ould so far forget themselves as to permit the unsightly borough scales, located on the public square, to be replaced by a new weighing machine is beyond the ken of a majority of the people of this town. No excuse can be offered for their conduct in this direction unless it be that arrived in town yesterday, and will council are altogether indifferent as to spend his vacation at the residence of his the sanitary condition of the principal father, Hon, A. THE TWENTIETH DISTRICT CONGRESS. IONAL CONFERENCE FAILS TO OR-GANIZE AT BEDFORD.

Will Try it Again at Tyrone

several days last week to organize the Republican congressional conference of this district at Bedford. By general consent it was agreed to make another attempt to organize at Tyrone, to-day, The Johnstown Tribune, of Saturday,

The report published in the Pittaburg papers that Mr. Evans is sick, is without

foundation in fact. The Cambria Conference would not go into Conference yesterday unless the Thropp Conferrees, of Bedford, who had the certificates of the Bedford County Convention, were admitted.

Somerset and Blair asked that the Conferrees of Somerset, Blair, and Cambria organize the Conference and decide upon the admission of Thropp's delegates. Thus the matter stood yesterday, and it was agreed to make another effort to organize at 10 o'clock this morning, which, as appears by the above, was equally

Died on the Operating Table.

Anna R. Will, a widow of Glade, this county, died on the operating table at the South Side Hospital, in Pittsburg, Wednesday. She was sixty-three years old, and was employed as a domestic at Glade. She has been afflicted with a tumor for years.

Accompanied by her son and Dr. Gardner, the family physician, she went to Pittsburg to have an operation performed, and went to the South Side Hospital Dr. Gardner and Dr. Stafford were to perform the operation. She was placed on the operating table and ether adminis-The amesthetic could hardly have tak-

en effect before the physicians noticed

that a serious change had occurred in the

woman's condition. They took her into

another room, tried artificial respiration

and electricity to revive her, but she Dr. Gardner, in his testimony before Deputy-Coroner Moreland, said that the woman had been accustomed to sleep on her right side. Being placed on her back with her head low he believes the tumor causing suffocation. He says an overdose of ether was not administered.

The Best School

Is none too good for young people who have at ility and are willing to work. The California, Pa., State Normal in some way succeeds in doing the best things for its students, and in helping them to make the most of themselves.

Died at the Hospital. Bobert Baldwin died at the Cambria Hospital Friday morning at 6:30 o'clock.

Baldwin was a son of Mr. and Mrs. Joseph Baldwin, of Berlin, and was 21 years of age. He was a carpenter by trade and went to Johnstown some six months ago tune to scratch one of his hands with a small piece of steel. Little attention was small piece of steel. Little attention was Kipling says, "that is another story, and were diseased. was accompanied by Mrs. Jacob P. FOUGHT FIFTY RATTLERS.

Meroie Encounter of "Jake, the Snake-Killer," With Half a Hundred Reptiles-He Killed 33.

MARKLETON, Pa., Aug. 23,-These nountains, besides giving life and susenance to a race of hardy Americans, grow snakes. They overrun the hills and ollows in countless numbers, and include the venomous copperbead, the sion, had simply decayed away. deadly rattler, the silent blacksnake and many species of harmless and prettily Mr. Stoner numbered 20 head. There colored reptiles. Naturally they have enemies, and they quarrel with and kill themselves and are also destroyed by the mountain cattle. But their archenemy is of the latter were affected, three of the man. And the greatest of this class is heifers and one of the calves. The ani-'Jake, the Snake Killer." He has a mab were all of the finest blooded Holreputation that has not been equalled in stein stock, and to all outward appearname is Jacob Witraut, and he is a store- the exception of the cough from which keeper in this town, on the bank of the they suffered. Casselman river and right at the base of the mountain. He is a veteran soldier modesty and great strength and unflinchfrom Rockwood to Confluence.

"Jake's" great battle was with a nest of the rattles to prove that the fight really did occur and that the snakes were killed. "Jake" was out gathering black berries early in the morning and had penetrated almost to the summit of the mountain, very apparent. The one calf that was when he stumbled into, or upon, the den killed was in an awful condition, while of reptiles. Hereabouts the snakes the heifers seemed to be worse than any

It is a comamong friends, "Jake" keeping the Spice Receptacle, all in one article. It is largest sets for himself. Many men made from imported tin plate, substanwent into the mountain and saw the heap tial, durable, Japaned and baked, makof slaughtered snakes. These and the lingthe finest finished piece of kitchen rattles were proof enough. In the whole furniture ever placed on the market. battle "Jake" had not been injured. His o nly regret is that about 20 of the snakes adapted, as they are usually careless and turned tail and fled. "Jake" still has his the shelves and kitchen. rattles. Some of his neighbors have

According to the veracious statements is another den of rattlers on the same mountain, wherein live anywhere from proven, they say, by throwing a stone into the den and hearing the loud rattling and smelling poison. This den is said to have existed for years, and some day it will be attacked by the hunters and cleaned out. But some of the hunters may be "cleaned out," too, for these snakes are said to be the biggest ever known and to have strength, a great supply of poison and cunning because of their years. The den, though, is right in the midst of a goodsized hemlock thicket, and when the lumber is needed the snakes must go. So that "Jake's" feat may be more than triplicated one of these days .- JOHN J. GREGO, in Pittsborg Times.

Shot Swarming Bees.

H. C. Moore and and John Reybuck, Rush township, Northumberland counopposes to it. No defensive medicine in under the care of doctors, as their faces, fessional quarters both for purity and the result of hundreds of stings inflicted by the angry little insects.

Knowing that Mr. Moore owned a pair of clippers, Reybugk visited his farm Wednesday in order to have his hair cut, but while this work was under way, Farmer Moore's seven hives of bees be-

The charm did not work, however, and fearing that the queen bee was about to lead the swarm to a clump of trees some distance from his farm, Mr. Moore resolved to apply heroic measures. Procuring an old shotgun he fired into the swarm and succeeded in attracting undivided attention. Hundreds of bees fastened themselves upon both farmers' faces and hands and stung their persecutors with a vengeance.

bees and it was not until they had almost buried their faces and heads in the soft earth of a corn field that they found refuge from the angry insects. The farmers were nearly smothered before the remaining bees followed their queen to a clump of woods on a neighboring farm. Franklin College, New Athens, O., is

the animals, to use a common expres The original herd of cattle owned by were four calves of various ages, three heifers, about fifteen months old, and 13 milch cows. The test showed that nine seven years and is proud of it. His other ance were in a healthful condition, with

ed at the shindery of John Schillp, in

The 13 animals slaughtered were all examined last week and the discovery of German descent; a tall, wiry man made was sufficient to completely sicken with bronzed hands and face, a tawny Mr. Stoner, the owner of the cattle, who nustache, a taciturn nature, much was present. The lungs were almost completely gone and what remained of ing courage. He is known all over Up- them were diseased to such an extent per Turkeyfoot and Black townships and that the sight was horrible to behold. Not only the lungs, but all parts of the vital parts of the animals were affected. The udders particularly were badly diseased, and it is from this source that turattlesnakes, and while he has killed berculosis is conveyed to humans. The hundreds of others in his 65 years, his star cow of the herd was the worst affectasme and fame rest on this particular ed. In the udder was an ulcer twice the ncounter, of which he gave me a mono- size of a goose egg. Mr. Stoner stated yllabic account the other day, after close that this cow had been giving four or five uestioning. While his neighbors know gallons of the finest looking milk every Wiltraut would not lie, he and they have day, and he had serious doubts that it was affected. He was more than satisfied

after what he saw. Not only in the older animals, but in the younger ones as well, was the disease

Although Mr. Stoner has not been us were in a very serious condition before

Mr. Stoner was perfectly satisfied with the test, and will make every effort to When "Jake" got fairly inside the have all the farmers in his locality have several brothers who are dairymen in Westmoreland county, and he took home with him a number of applications for tests, confident that, after he told of the condition of his own cattle, they would tunity to have theirs tested. William Waugh, the New Brighton man who suspected his cattle were affect-
