THE North Carolina Republicans have been informed by the National committee that relations with them will be suspended unless they adopt a sound money platform. When the national honor is assailed there can be but one brand of Republicans.

CANDIDATE Watson certainly has the right of it in demanding official notification of his nomination. He says, to achieve the most signal triumphs in properly enough, if with some anger, that he is placed in a humiliating position, and that if Mr. Bryan is ashamed of Populist votes the party ought to know it.

MR. BRYAN says that coin would not come from the silver countries here. because it would be needed at home. It would certainly come if it were worth \$1.29 per ounce here, and only 68 cents there; and if we suppose it raised to the former price in China and Mexico, we them in any other way he resumed his get back to the old paradox that we can double the price of anything by without apparent diminution of his mantaking one-sixteenth of the amount and putting it in another pile.

PROPERTY is the fruit of labor. Prop erty is desirable, is a positive good in the world. That some should be rich shows that others may become rich, and hence is encouragement to industry and enterprise. Let no man who is homeless pull down the house of another, but let him work diligently and build one for himself, thus, by example, assuring that his own shall be safe from violence when it is built .- Abraham Lincoln.

IN MAY, 1896, Mr. Hoke Smith spoke at a sound - currency dinner in New The Senator said : York city.
