> the man. Think it out if you can."-New York Herald. The Princess Metternich. In the days when a black skirt looped up over a short colored petticoat was as daring a costume for a lady of position as the divided garment of the cycleuse is today, the Princess Metternich eagerly urged the empress to wear the new spoiled by the knowledge that she had fashion on a public occasion. One of the advice, if adopted, would bring censure on her mistress, asked pointedly, "But would you give the same advice to your own empress (of Austria)?" "Oh, no!"

was the answer. "But the Empress Elizabeth is a real empress.' The other anecdote, though not more creditable to the princess' taste, has a racy humor about it which puts us, in spite of ourselves, on better terms with her. Having lost patience in an argument with Mme. de Persigny, she appealed to the empress, who begged her to give in, saying of Mme, de Persigny, Remember that her mother is mad. "So her mother is mad?" retorted the princess. "Well, madame, my father is

mad. So, why should I give in to her?"

-London Spectator.

With the earlier anecdotes of Lincoln's size and strength are linked always other anecdotes of his story telling in the intervals between working hours, when his long, gaunt figure would be stretched at ease, and he would pour out stories, anecdotes and bits of mimic ry till the crowd around him was help-

less with laughter. In one town, where he stopped four weeks to build a flatboat, there was preserved and pointed out for many years a peeled log, called Abe's log, whereon he and his listeners used to sit lounging and whittling in the summer evenings. So irresistibly funny were the yarns that Abe told there that, said the narrator, who used to be one of the boys, "whenever he'd end up in his unexpected way the boys on the log would whoop and

roll off." The result of this appreciative friction, constantly repeated, was that Abe's log, so long as it was in existence, displayed a polish like a mirror from one
