Christmas is near at hand and those who are looking forward in joyous anticipation of having a good time should not e unmindful of those who may be in want. Let us, therefore, in obedience to our faithe shine by our works that we may fully realize the saying of the Christ child, when He saith: "He that hath this world's goods and seeth his brother have need, and shutteth his bowels of compassion, how dwelleth the love of God in him."
