

HOUSEWIVES' POEM.
For the love of my dear one,
Who sits in the parlor,
And reads the paper,
And looks so demure,
And smiles so sweet,
I wish I could be her,
To see her eyes and her smile,
And to be loved by her,
As I am loved by you.
And when she looks at me,
And says "How sweet you are,"
I wish I could be you,
To be loved by her,
As I am loved by you.

EASY GOING CONVICTS.
How They Enjoy Life in a Prison in the
THRILLING EXPERIENCE.
That "the French are a good natured
people and make easy masters" was
the motto of the American soldiers who
found it hard to study the various pro-
cesses of their domestic life in the
south sea islands. The Maxey group,
for instance, is under French con-
trol. Mr. Stevenson tells in "In the
South Sea" how he visited the cala-
book of the French. The ports of entry
and found it empty.

TWO IN A SINK HOLE.
A KENTUCKY PRINTER NARRATES A
THRILLING EXPERIENCE.
While following the Call of His Faithful
Duty the writer was a fisherman in a
dark den with a fierce wild beast—the
Serpent and his mate.

A CHRISTMAS LYRIC
Christmas comes—don't you fret—
Carve that possum pie—
Get your turkey ready—
Ob, believe,
See the bright light about
The fire in our den
Say Christmas comes—
No carols to pass fine
Christmas comes—don't fret—

See the bright light about

Say Christmas comes—
No carols to pass fine

Various Farm Topics.
A ton of butter sold from the farm
during the week of 50 cents
worth of the soil, a ton of wheat
costs the farmer ten times that sum.
When the farmer sells an article that
does not take a large proportion of
the farm from the soil he is just as
much the gainer as though he had given
the price for the same, as the plant food
in the soil is always prepared and stored
for much raw material in producing
the next crop. In fact, when the farmer
sells the fertility of his soil he is really
selling the farm itself, as he is com-
pelled to supply in some form to the farm
that which he takes from it to be sent
to market.

RUSSIAN NEWSPAPERS.
In the Caer's Journal There Are Many
Countries With Old Names.
Newspapers printed in the Russian
languages are not circulated nor read
generally in the United States, and any
one who has ever made an cursory
examination of a Russian newspaper
printed in Russian characters can see at
a glance why, as far as the newspaper
concerns, they do not "fill a long list."

Better and Cheaper as Remedies.
One of the favorite remedies of phy-
sicians is cod liver oil, and why is this
of the myriads of the world of med-
icine, when all diseases are not in an oil
or fatty substance? Is it so powerful?
It is not so, as it is easily digested and
assimilated, fish oil being appropriated
with a small outlay of digestive power.
Why cod liver oil, and why not fish
oil? The composition of fish refuse, should
ever be cleaned upon when butter
and cream are nature's supply and it
is once the most readily obtainable is
unexplainable. While any one can take
cream or butter the consuming of fish
oil requires the fortitude of a saint and
the humor of a martyr, and, as we
know, the oil does not agree with many
individuals, and is not as pleasant as
cream or butter.

Something to Depend On.
Mr. James Jones, of the drug firm of
Jones & Son, Camden, N. J., in speaking
of Dr. King's New Discovery, says
that last winter his wife was attacked
with La Grippe, and her case grew so
serious that physicians at Camden and
Paris could do nothing for her. It
seemed to develop into Hasty Con-
sumption. Having Dr. King's New
Discovery in stock, and selling lots of
it, he took a bottle home, and to the
surprise of all the family got better
from first dose, and half dozen bottles
cured her sound and well. Dr.
King's New Discovery for Consumption,
Coughs and Colds is guaranteed to do
this good work. Try it. Free trial
bottles at Brallier's drug store, Berlin,
or J. N. Snyder's drug store, Somers-
et, Pa.

THE MAGIC RING.
A Boy's First Loves and His Impressions
of Courtship.
A kind of magic ring that set us
acquiring; then a crash of cymbals,
a jangle of bells, a hoarse, applauding
chorus, and Corallo was in the midst of
his "dancing." "Sweet earth and sky,
now ever, flash, flash, flash, now con-
trasted to the flowing mane, swung and
tossed and maddened by the maddening
music of the band. The mighty whip
of the count in the neck, neck marked
with pistol shots, his weary, weary
clear above the music, first the blood
with a passion for splendid deeds,
Corallo, laughing exultantly, crashed
through the paper hoops. It was a
red cloth in front of us, and
round and round and round with
Corallo, leaping with her, prone with her,
as we by main or tail went. It was
not only the excitement of her motions,
her leaping, her running, her foot-
steps, but the whole scene that held us
spellbound.

DOAN'S KIDNEY PILLS
Get down to the root of the trouble—
make the kidneys strong and healthy,
take away the cause of backaches,
lame backs and all kidney and urinary
troubles, and so cure them.
Backache is simply kidney
ache—It's a way the kidneys
have of telling us they are sick
and need help. Only way to
cure it is by reaching the kid-
neys direct. Masters and liniments
may relieve—they can't cure.

Old People.
Old people who require medicine to
regulate the bowels and kidneys will
find the true remedy in Electric
Bitters. This medicine does not stim-
ulate, but acts as a tonic and alter-
ative. It acts mildly on the stom-
ach and bowels, adding strength and
giving tone to the organs, thereby aid-
ing Nature in the performance of the
functions. Electric Bitters is an ex-
cellent appetizer and aids digestion.
Old people find it just exactly what
they need. It costs fifty cents and is
sold in a bottle at J. N. Snyder's drug store,
Somers-et, or Brallier's drug store,
Berlin, Pa.
