A Longer Term.

Of school legislation at Harrisburg there will be three important features this winter. One hill to be presented most At present the company has a large likely by Representative Hammond, of tion of a school term. This act is intended to benefit the country school districts. For another thing the granger element half million dollars for township high schools. An act was passed in 1895 providing for the establishment of three kinds of township high schools; first, second and third class. The first-class schools are to have four-year courses; second three-year courses, and third, twoyear courses. The proposed act will ask dollars according to the classification of the school. With the State Treasury al-

most empty its chances of success are not brilliant. The third bit of legislation is the Merrick bill, presented in the Senate this week. It provides for the division of the school appropriation in three parts. Onethird pro rata to the number of pupils, and the remaining toird according to the number of taxables in the school district. The act provides for a triennial registraschool children between the ages of 6 and

REGISTER'S NOTICES. The Pure Food Law. The Philadelphia Ledger says: Judge

burn against the principal in the crime 1835, is unconstitutional. A West Chester rather than against the agent; against grocer was convicted, under two counts, the man who sends the "beautiful young for selling cottonsee i oil as olive oil. Acwednesday, may 24, 1837.

Wednesday, may 24, 1837.

First and final account of Jacob Poorbaugh, ture of olive oil. The act is entitled "An act to provide against the adulteration of food and providing for the enforcement of Historia and Hi woman to the butcher" rather than cording to the testimony, the substitute The real criminal, the real murderer, ture of olive oil. The act is entitled "An is he who betrays the woman. And when set to provide against the adulteration of once society arises in its virtuous might, food and providing for the enforcement woman as he deserves, this anguish, ed that the act was unconstitutional bedrive multitudes of "beautiful girls" to in the title. The body of the act declared "surgical demons" or deliberate suicide, that a substitute of an inferior substance then will the reprobate demon have oc- the Judge was of the opinion that this casion to adopt the literal language of definition introduced a new additional Cain: "And I shall be a fugitive and a subject not expressed in the title. He, vagabond in the earth; and it shall come | therefore, set aside the verdict, regretting of the act, which was, in itself, worthy, but he was compelled to contrue a penal statute strictly. Thus it appears from Judge Hemphills decision that a man who sells cotton-seed olive oil is not amenable to law, provided he swindles his customer outright by giving him no olive oil at all; but, if he is conscience stricken to the extent of giving the customer a proportion of the article for which he paid, the dealer is properly a subject for the menalties of the law. I appeal to the fathers and mothers and he was compelled to contrue a penal isters and brothers, who believe in social statute strictly. Thus it appears from mi purity, will we not, in the name of our Judge Hemphills decision that a man who daughters, in the name of virtue, in the sells cotton-seed olive oil is not amenaname of Almighty God rise up and say, ble to law, provided he swindles his ensthe penalties of the law.

> Somerset County O. I. C. Lime. Farmers between Rockwood and Listie wishing to purchase lime will find it to their interest to see the undersigned before purchasing elsewhere.
