For more than 12 years I have suffered a good deal of pain, in fact, I was in distress and misery nearly all the time, particularly on sitting down. The misery was in my left side, in the region of the heart. It was very seldom that I could attend to my labors. I tried 8 different doctors, so said, the best in our country, but I got worse instead of better, at last, I went to Dr. Salm, who makes regular visits to Sunbury, and thanks to his skillful treatment, I am now entirely cared.
