retailer of ole . The manufacturer would pay \$1,000 a year, the wholesaler \$500 and the retailer from \$10 to \$50 according to Spooner added his protest against tying the amount of business he did. The law of 1895 forbids the manufacture and sale of oleo in the state. It has been on the statute books for twelve years and in that time millions of pounds of bogus butter have been sold on the "speakeasy" plan. For the last two years the state has been keeping a paid force at work to prevent the sale of oleo, but the investigating committee shows that the sale has increased rather than fallen off. In Pittsburg about 500,000 pounds of oleo are sold monthly and in the last two years the state has only received \$800 in
