

A Veteran of the Late War Adds One More Name to the List of Striking Cures by Pink Pills in Michigan.

AN OLD-FASHIONED, LARGE FAMILY OF THIRTEEN GHILDREN.

From the Courier-Herald, Saginaw, Mich.

A few years ago a wave of La Grippe or provide the land and brought thousands or its victims to the grave. Others who es-caped the fate lived on in sorrow and suffer-

<text>

It is about as tall as a three story will soon be doubled. There are orders now on hand which will take the entire | house and the branches come out straight output of the plant for over two months | from the tree like so many arms. They ahead. Marshall Field & Co. of Chicago are the largest purchasers of the goods. Difficulties were encountered, of while half hidden among them is the course, at the start, but all have been fruit, growing like apples on short surmounted, and it is gratifying to note stems, but larger and having a thick the harmony in which the young women yellow rind. work and the success they are achieving. This fruit is like bread, and it is in

Their push, enterprise and executive senson during eight months of the year, bility have caused much wonderment, the natives finding a good living in it. nd it is with a keen interest that Fond They gather it while it is green and in Lac people in general are watching bake it in an oven. Scraping eff its the development of what was in its in- outer blackened crust they come to the loaf, which is very much like nice white eption considered a very unsafe venture. A price scale has been established, and bread.

As for glue, it cozes from the trunk the wages earned vary from \$4 to \$11 and \$12 a week, according to the skill of the tree and is found useful for many possessed by the operator, the work be- purposes. The leaves make excellent ing done by the piece. Thus far there towels for the few natives who care to has been a balance each month above use them, and from the inner bark of the expenses and wages, which is turned the tree a kind of coarse cloth can be into the treasury to be apportioned out | made. Besides this, its dried blossoms in dividends. Mrs. Anna Meiklejohn, are used for under in lighting fires, and the wood is in great demand for buildwho organized the project of the factory, ing purposes .- Chicago Record. s the president of the company.

Mrs. Ilearst's Benefactions.

He was perfectly certain, he always said-Mrs. Phobe A. Hearst, who was a Mirs. Phoebe A. Rearst, who was a conspicuous although a silent figure on That somewhere over the meadows led the platform at nearly all the sessions of To the den of a robber crow. the recent congress of mothers held in
