AN OVATION FOR MRS. McKINLEY.

An interesting feature of the Presi dent's visit was a serenade tendered him on Thursday evening by the members of the Lincoln Club. It will be remembered that the Lincoln Club organized an excursion just about this time last September, when some two thousand of the Republican voters of the county visited Cauton, and assured Major McKinley of their loyal support. His address to the "Frosty Sons of Thunder" on that occasion was one of the happiest delivered on the famous Cauton veranda, and was published in every Republican newspaper in the country. MRS, MCKINLEY APPEARS. Before the Governor retired from the platform a loud shout went up for "Mrs. McKinley," and a moment later the President appeared upon the veranda with the first lady of the land on his arm. The distinguished couple was greeted with tumnituous applause, Mrs. McKinley waving a small American flag, which she held in her right hand, to the cheer-

The serenade was one of the most successfu demonstrations ever made in the county and the President afterwards expresse himself as being highly delighted at the compliment bestowed upon him by the Lincoln Club. The President also expressed his gratification upon learning that the music was furnished by a Somerset county organization, and was very complimentary in his remarks upon the

ability and skill displayed by the band. A BOUQUET FOR MRS. McKINLEY.

Mistress of the White House. In recognition of the high regard entertained by them for Mrs. McKinley, the members of the Lincoln Club, on Thursday afternoon, sent a magnificent bouquet of ten dozen roses to the wife of the President. Attached to the bouquet by a piece of white ribbon, was a card upon which the following inscription was written: "To Mrs. William McKinley, the First Lady of the Land, with Compliments from the Lincoln Club, of Somerset, Pa.

The bouquet was delivered to Mrs. Mc Kinley by Misses Clara Krebs and Ada Cover. The Mistress of the White House expressed her pleasure at being remem bered in such a graceful manner by the members of the Lincoln Club. Mrs. McKinley's Improved Health.

One of the pleasing features of the present trip of President and Mrs. McKinley, of which their stay in Somerset forms a part, is the remarkable restoration to health of his invalid wife. She surprises and delights her relatives and neighbors by walking without a cane and unaided by anyone. This is the more remarkable because, since 1874, she has not been able to stand alone or walk across the room without a cane. For twenty-three years it was thought she would never again regain her health enough to walk alone.

The President Makes Calls.

Wednesday morning President Me Kinley called upon ex-Congressman Scull, who is confined to his home by sickness. Mrs. McKinley's Love For Children. Hundreds of children were treated in the same way by Mrs. McKinley during the week. The youngsters, or better, the mothers of the youngsters, evidently knew of Mrs. McKinley's love for children and flowers, so it happened that nearly every child that called carried a bouquet to present to her, and in return many of them received a tiny flag with a miniature photograph of the President attached. Hundreds of mothers carried their babies to call upon Mrs. McKinley, so that in the future the present little ones will be able to tell their great-grand-children how they were received by the beautiful Mistress of the White House "when McKinley was Pres-

R. P. CUMMINS POST'S GREETING TO COMRADE McKINLEY.

Mrs. McKinley Reviews the Old Soldiers-Speeches by the President and Attorney-General.

Friday evening was veterans night at he McKinley residence. At eight 'clock in the evening one hundred or more members of R. P. Cummins Post, No. 210, G. A. Among the veterans in line were a number who had traveled a distance of nany miles in order to salute Comrade McKinley and bid him a soldier's wel-

REV. HARKEY'S INTRODUCTORY. "I have been delegated to greet you this evening on behalf of the veterans here assembled. This gathering to night has a peculiar sentiment attached to it. The Shakers of Mount Lebanon, a community of simple, honest, God-fearing men and women, have prepared the Shaker Digestive Cordial for many years, and it is always the same, simple, honest, curative medicine that has helped to make the Shakers the healthy, long-lived people that they are. The Shakers never have indigestion. This is partly owing to their simple mode of life, partly owing to the wonderful properties of the Shaker Digestive Cordial. Indigestion is caused by the stomach glands not supplying enough digestive juice. Shaker Digestive Cordial supplies what's wanting. Shaker Digestive Cordial invigorates the stomach and all its glands so that after awhile they don't need help.
