Modern Treatment of

The latest work on the treatment of diseases, written by forty eminent American physicians, says: "Cod-liver oil has done more for the consumptive than all other remedies put together." It also says: "The hypophosphites of lime and soda are regarded by many English observers as specifics for consumption."

Scott's Emulsion

contains the best cod-live: oil in a partially digested form, combined with the Hypophosphites of Lime and Soda. This remedy, a standard for a quarter of a century, is in exact accord with the latest views of the medical profession. Be sure you get SCOTT'S All druggists; 50c, and \$1.00. Is Ready to he Shot.

KANSAS CITY, Mo., Oct. 31 .- The sureme council of the Chostaw Nation, in the Indian Territory, has completed the review of the case of Walla Tonaka, the Choctaw ball player who was convicted in the lower court of murder and sen-

tenced to be shot, and has approved the rerdict and sentence. The execution has been set for Saturlay.[November 0, and it will take place near Gray Engle, I. T. The condemned man will be shot by four of his clonest friends. The guns will be loaded by others of his friends, and but two of them

will contain bullets. Walla Tonaka was convicted of murder n the first degree for killing his uncle, Lampson Young, a deputy sheriff of Eagle county. He is a wild young buck, and while drunk created a disturbance which his uncle attemped to quell. Wal-

is was armed with a Winchester, and shot his uncle dead. After his conviction he appealed his case to the supreme council, and in the meantime was released on his personal parole, according to the custom of the
