Quite a stir has been raised among the counties because the roller millers have formed a combine and have decided to hereafter give only thirty-three pounds o'straight flour and fourteen pounds of bean and middlings, instead of thirty-six pounds of flour and fourteen of bran and middlings, as heretofore exchanged. The Westmoreland farmers discussed

the matter at Ponoma Grange meetings

in Greensburg Saturday afternoon and

evening, and the following was adopted:

WHEREAS, The County Grange in convention assembled, learns with much surprise and great regret of a combine by the roller millers of the county, who propose (according to a letter in our posse on and after November 2, 1807, to extort With his left arm pinioned between a thirteen pounds of toll (instead of ten wo-inch belt and an over-head pulley on pounds, as heretofore taken) out of every shaft revolving at a speed of 200 revosixty pounds of wheat; therefore, be it lutions per minute, Edgar E. Altfather Resolved. That we condemn this action was haried repeatedly against the hard to take three pounds more toll to every bushel of wheat as unjust and unwarrantperated by his uncle, H. D. Altfather, in ed, and we call upon the members of our Ursica, on Monday of last week, until various Granges and the farmers of West the arm finally separated at the elbow moreland County generally not to submit to the imposition of the so-called rollerand shapeless mass.
