The Sidew ......

The recent decision of Judge Claytonof Delaware county, will be of interest to all property-holders, as well as to other ed spot, where the snow lies much of people who think they have a right to occopy a person's sidewalk, doorstep or fonce as long as they like. In charging garden is always the richest spot on the a jury, in which the rights of the side walk were the bone of contention. Judge Clayton laid down the law in reference to pavements in such a manner as to clear up some points concerning which there has been much misapprehension. He said: 'The owner of real estate also owns the sidewalk in front of his property subject to the right of pedestrians to use it for traveling back and forward, but outside of this he owns this as much as any other part of his property. It cannot be used for roller skating or a play ground for children, or other purposes without his onsent. If it is, he could first order them to leave, and if they refuse, he may use as much force as necessary to remove them, but no more."
