Good lawyers have for some time held Mrs. Elizabeth Hay, of Dixon, Ill., is that there was no general law in Pennvisiting at the home of her son, A. F. sylvania making taxes on real estate a prior lien. This opinion has recently been sustained by the superior court of this state, in the case of Theurer's appeal,

5 Pa. Superior Court 235. Mrs. Wm. F. Joyce left yesterday for The act of June 2, 1881, P. L. 45, under which supposed liens were created by reporting uncollected taxes to the county ommissioners, was declared unconstitu ional in the case of Van Loon vs. Engle, 171 Pa. 167; and Theorer's appeal not only clearly exposes the absurdity of the ciaim that the act of May 22, 1895, P. L. III, creates any lien, but just as clearly decides that there are no tax liens in this mer well-known residents of Confinence, state except such as are created by local

In Somerset county, therefore, there is no way of making taxes on real estate a prior lien; and collectors will hereafter cointed postmaster at Confluence. He have to get rid of difficult collections in ome other way than by returning them on Thursday, and on Friday forwarded to the county commissioners. In fact, it always has been the duty of collectors to collect the taxes charged on the dupli cates placed in their hands, and these returns have simply been an evasion of that duty. A collector's warrant is good for two years from its date and under the 46th section of the act of April 15, 1834, it authorizes him to distrain and seil the ing any real estate, for the non-payment any taxes assessed upon such real estate during his possession or occupancy and remaining unpaid, in like manner

as if they were the goods and chattels of the owners of such real estate; and this remedy is available at any time after such taxes have become delinquent,. Then there is the additional remedy provided by the 21st section of the same act, whereby the collector is empowered and his fourteen-year-old daughter, have to distrain and sell the goods and chattels of any delinquent, whether on or off the premises, after thirty days' notice to pay;

been, the only proper ways to compel the payment of taxes in Somerset county. From this state of the law, it follows most successful marksmen, got a crack | that it will be useless, simply a waste of at a pair of wild turkeys on Tayman Hill time and less of money, hereafter to file notices of delinquent taxes with any sher noon, and brought down a fine 10-pound | iff or constable, on the sale of a delighen. The birds had evidently been quent's property. Everything must derightened from their mountain home by pend on the vigilance of the collector, the numerous hunters who have been in and his vigilance will depend in a great degree on the amount of backbone displayed by school boards, borough councils and county commissioners in refusing exonorations or to "take the duplicate off the hands" of a delinquent collector.

A Piece of Parchment.

When unwritten on, is not more colorless than the cadaverous countenances of those unfortunate persons whom we are accusmed to call "confirmed invalids." What a misnomer! implying, too, despair, a Next week the public school teachers | there is no absolute collapse of the facul- and 50c. of the county will be the guests of the ties, fresh vitality can be infused into county seat. They will number 304 in wasted, feeble frames; color and flesh all, and will probably be accompanied can be brought back to wasted, pailed by double that number of friends. In checks with this grand sheet anchor of fact the Annual Teachers' Institute will the debilitated and the sickly. It is a tonic attract a majority of the brightest young of the greatest potency and the utmost people of both sexes in the county to parity, and a remedy for and preventive Somerset next week.
