It is not often that a physician recmmends a patent medicine; when he does, you may know that it is a good one. Dr. J. P. Cleveland, Glasgow, Va., writes. "I have used Chamberlain's Colic, Cholera and Diarrhoea R-medy in my practice and it has proven to be an excellent remedy, where a thorough course of medicine had falled with me. I recommend it to my patients every time for colic and diarrhoea." Many other progressive physicians recommend and use this remedy, because it always cures and cures quickly. Why He Didn't Swear.

General Horace Porter, in his "Camalgning with Grant," says: "While sitting with him at the campfire late one night, after every one else had gone to bed, I said to him, 'General, it seems singular that you have gone through all the rough and tumble of army service and frontier life and never been provoked into swearing. I have never heard you utter an oath or use an imprecation.' 'Well, somehow or other I never learned to swear, he replied. 'When a boy I seemed to have an aversion to it, and when I became a man I saw the folly of it. I have always noticed, too, that swearing helps to rouse cool gets the better of him.
