THE SPANISH MINISTER CALLS AT THE STATE DEPARTMENT.

WASHINGTON, April 10 .- The Spanish Government, through its minister at ongress at noon Monday. Its climax is Washington, Senor Polo de Bernabe, tonight delivered an important official docament to the State Department stating The long trial has proved that the ob- that the runistice which the Queen Reject for which Spain has waged the war gent of Spain had commanded General Blance to proclaim to-day was without conditions, that her Majesty's governrection may fiame or smoulder with vary- ment had granted liberal institutions to ing seasons, but it has not been and it is the Island of Cuba, which the couring fact and be given the same opportunity no longer be endured is the enforced and the horrer this disaster had occasioned in Spanish hearts, and appealing to the conrtesy and sense of justice of the United States government to enlighten pubof civilization, in behalf of endangered licopinion on the attitude of Spain. The American interests which give us the note also repeats the offer of the Spanish-

right and the duty to speak and to act, government to submit the Maire question to experts designated by the maritime powers of the world.

This document was the official notification of the Spanish Government to the tice and its essential terms. Minister Woodford's despatch last night had briefly stated the fact that an armistice had been agreed upon, but it was not communisecure in the island the establishment of cated as coming from the Spanish gova stable government capable of maintain- ernment. To-day's communication clearing order and observing its International ed up misapprehensions on the most vital point of Spain's concession-namely, that the armistice was without conditions sage, Senator Quay took the opportunity of making clear his position on as our own, and to use the military and partment after the first Cabinet meeting, the Spanish-Cuban question. A tele- naval forces of the United States as may and was one of the main subjects of consideration at the second Cabinet meeting, held to-night. Although the Spanish note was surrounded with the usual secrecy

following points: "First-Her Majesty, the Queen Regent of Spain, desirous of ending the troubles which are desolating Cuba, has commanded a suspension of hostilities. General Blanco has been ordered to proclaim to-day an armistice without conditions. Yesterday, and since the preparation of He will determine later the duration and details of this armistice so as to carry out the generous intentions of Her Majesty and the wishes of the friends of peace. "Second-Her Majesty's government quite capable of taking care of the in- of the Spanish naval forces, and for eral Blanco, in order to prepare and has granted to the island of Cuba institugeneral Spanish preparations for war. facilitate peace, to proclaim a suspension tions as liberal as those enjoyed by Can-They know that a Spanish torpedo flo- of hostilities, the duration and details of ada under the British flag. The Cuban tilla is en route for our shores, whose which have not yet been communicated May. It will be their daty and privilege to me. This fact, with every other perti- to put into practice and develop these innent consideration, will, I am sure, have stitutions. In addition to this, Cuba is your just and careful attention in the represented in the parliament at Madrid, "Third-Public opinion in this country appears to ignore the fact that the loss of the Maine was immediately followed by

umors That pimple on your arm, those was well and strong. I am giving her way until spring when I realized some-eruptions, itching and burning hives, Hood's Sarsaparilla now for exzema and thing must be done for me. Hold my husthe trouble is fast disappearing." MRS. band I would like to try Hood's Sarsapa-

blood, which should have prompt and careful attention, as do boils, carbuncles, nicers, sait rheum and the severest forms of scrofula. Hood's Sarsaparillin cures all humors of the blood of every form and degree.

That Tired Feeling,

So common in the spring, is also due to the weak, thin, depicted condition of the blood. Make your blood pure by taking Hood's Sarsaparilla and you will be strong and ready for work, will have good appetite and good health. Try Hood's Sarsaparilla this spring. "My little girl was sick through the spring with typhoid fever, and after she got over it she was weak and did not ent.

My husband got her a bottle of Hood's All the time and could not get rested at saparilla I weigh more than I ever did in Sarsapavilla, saying it would make her eat night, being tired in the morning as my life and my health was never better and give her strength-and it did. She when I went to bed. I did not feel like than it is at present." MRS. TILMAN had taken it only a short time when she doing my work. I lin wred along in this REED, Fort Norris, N. J.

I Was Tired

just as surely indicate impurities in the CLANTON B. HOPE, Backingham Valley, Pa. rills and I began taking it. When I had used about half the first bottle I began to feel better. I enjoyed restful sleep and my appetite had improved. After taking a whole bottle I felt better than for a long time, and I was relieved of the kidney trouble. I continued taking Hood's Sarsaparills and had no more spells of headache, painitation of the heart or pain of rheamatism. On rising in the morning 1

Feel Like Coing to Work.

I am a living witness to the great merit of Hood's Sarss parills and have strong faith in it. My daughters give Hood's Sersaparilla to their children when their blood is out of order and in a short time they are well. I often recommend the medieine to my neighbors for boils and that tired feeling. Since taking Hood's Sar-
