W. J. Bryan Advised to Enlist.

WASHINGTON, D. C., April 30.-William Jennings Bryan is a candidate for a generalship. A short time ago he wrote to President McKinley a bro d and com prehensive letter, in which he tendered his services and expressed a willingness to accept any position, regardless of rank, that the President might select for him. It is well to state here that the Presi dent makes no appointments under Brigadier Generalship, Positions of lower grade are made by Governors of States. As this fact is or ought to be known to men prominent in political life, it is fair to assume that Mr. Bryan wants either to be Brigadier General or Major

Since writing his letter to the President Mr. Bryan's friends among the Democratic politicians have been arging the Silverite's appointment. The President has not taken kindly to the idea, and has notified Mr. Bryan's friends that he is going to give one Generalship to Jos Wheeler, of Alabama, and another to Fitzhugh Lee, of Virginia.

FROM FOOT TO KNEE

Onio Woman Suffered Great Agony From a Terrible Sore-Her Story of the Case, and Her Cure.

"For many years I was afflicted with a milk log, and a few years ago it broke out In a sore and spread from my foot to my knee, I suffered great agony. It would burn and lich all the time and discharge a great deal. My health was good with the exception of this sure. I tried a great many kinds of salve, but some would irritate the sore so that I could hardly stand the pain. I could not go near the fire without suffering intensely. Some one sent me papers containing testimonials vi cures by Hood's Sarsmarilla, and I told my husband I would like to try this medicine. He got me a bottle and I found it helped me. I kept on taking it until my limb was completely healed. I cannot praise Hood's Sarsaparilla enough for the great benefit it has been to me. It cleanses the blood of all impurities and leaves it rich and pure." Miss. ANNA E. EAREN, Whittlesoy, Ohio.
