Tuesday. A very successful sally of United States marines, assisted by Cuban insurgents, was made on Tuesday afternoon upon the camp of the Spanish guerrila who had been harrassing the American troops at Guantanamo since last Friday. The above is a fragment from the history of Dean's Kidney Pills, a preparation which has come to this locality, as well as Canonsburg, to stay. Those Dreadful Sores

They Continued to Spread in Spite of Treatment but Now They are

Healed - A Wonderful Work. "For many years I have been a great sufferer with varicose veins on one of my limbs. My foot and limb became dreadfully swollen. When I stood up I could feel the blood rushing down the veins of this limb. One day I seeidentally hit my foot against some object and a sore broke out which continued to spread and was exceedingly painful. I concluded I needed a blood purifier and I began taking Hood's Sarsaparilla. In a short time those dreadful sores which had caused me so much suffering, began to heal. I kept on faithfully with Hood's Sarsaparills, and in a short time my limb was completely healed and the sores gave me no more pain. I cannot be too thankful for the wonderful work Hood's Sarsaparills, has done for me." MER. A. E. Gilson, Hartland, Vermont.
