the lowest and must be seen to be appreciated. -AT-OUR NEW STORE

Our stock is all new and our prices

Our **Prices** And **Others**

We believe that we sell more groceries in one day than some stores sall in a year. We buy usually by the car load and we secure prices many of our competitors cannot approach. The buying public know this, and it is one of many reasons why they patronize our store.

Picnic Season here

....

Pienic parties will want canned meats for their lunch baskets. We have the largest assortment of all kinds of potted meats, sardines, lobster, salmon, etc., ever brought to the county.

.... Green Groceries

The freshest and finest green groceries always on hand and so cheap that every table can offord them. At the present time home grown strawberries are coming in, the largest and finest ever seen hereabouts. You will want a few quarts for canning. Better get them now.

....
