"Santiago de Cuba, July 17 .- Adjutant General United States Army, Washington: I have the honor to announce that the American flag has been this instant, 12 o'clock noon, raised over the house of the civil government in the city of Santiago. An immense course of people present, a squad of cavalry and a regiment of infantry presenting arms and bands playing national airs. Light battery fired salute of 21 guns. Perfect order is being maintained by municipal government. Distress is very great, but little sickness in town. Scarcely any yellow fever. A small gunboat and about 200 seamen left by Cervera have surrendered to me. Obstructions are being removed from mouth of harbor. Upon coming into the city I discovered a perfect entanglement of defenses. Fighting as the Spaniards did the first day, it would have cost 5,000 lives to have taken it. Battalions of Spanish troops have been depositing arms since daylight in armory, over which I have guard. Gen. Toral formally surrendered the plaza and all stores at 9 a. m. (Signed.) "W. R. It is the same with Doan's Kidney Pills; how to account for the work they do is a puzzler, but every man who uses them always can give solid and substantial a puzzler, but every man who uses them always can give solid and substantial reasons for his estimate of their merit. Mr. C. L. Luther, cor Luthershurg Road and Weber ave., DuBois, Pa., principal of the First Ward school, says: "I had a severe attack of la grippe, which left me a victim of neuralgia and kidney recolled recologies a constant theirs and do you seriously think the war will last trouble, producing a constant itching and weakness across the loins, and a severe burning sensation in the stomach, the latter being sore to the touch and very much bloated. The neuralgia settled chiefly in the left side of the head, and leaves are often harder to deal with when the attack was most virulent, the suffering was intense. The complaint developed into a distressing and annoyand gravest problems of this war will ing urinary difficulty, and for 79 days I was confined to my bed. I partirecovered, but was still unable to do any work, when my attention was called to Doan's Kidney Pills, and I got a supply at a drug store. I soon noticed their beneficial effects. Continuing the treatby virtue of the last will and testament of the ment. Had no Appetite-Now Better in Every Way A Delicate Child.
"Some time since Ptook a sudden cold and could not get rid of it. Being subject to estarth and bronchist trouble I coughed terribly. I lost my appetite and grew poor and weak and I did not feel like work. I began taking Hood's Sarsaparilla. In a short time the cough disap peared, I slept well, had a good appetite and I was better in every way. Last spring I was not feeling well, I had no appetite and no strength. I resorted to Hood's Sarsaparilla and soon felt more like work. My little nephew was a delicate child and had a humor which troubled him so he could not rest at night. He has taken a few bottles of Hood's Sarsaparilla and now he has a good appetite and is able to sleep." Miss ABBIE J. FREEMAN, South Dunbury, Mass.
