After Murderously Assaulting Deputy-Sheriff Geo. M. Baker.

TWO OF THEM RECAPTURED.

Two prisoners confined in the county jail made a murderous attack on Deputy-Sheriff George M. Baker just before dusk Saturday evening, and after beating him into a state bordering on insensibility, liberated two of their fellow inmates after which they locked the officer in a cell and the four made their escape. Deputy Baker had locked the sixteen nates of the jail in their cells for the night and was about retiring from the upper west corridor, when "Ben" Eddy, mner township's bad boy, who is charged with horse-stealing, asked him to place a rough box table stationed in the corridor for the convenience of the prisoners, in the cell occupied by Harry

and robbing the Rockwood postoffice, and cell was broken. The moment the kindhearted officer unlocked the cell door, the two boys-for Eddy is only 17 and Zerfoss 18 years of age-pusted it open, when Zerfoss assaulted him with the beavy leg of an oak office chair, raining strength, while Eddy attacked him with a broom handle, poking its sharp end ed during the remainder of his riciously into the officer's stomach. From Camp Hamilton. LEXINGTON, KY., Sept. 2, 1808.

EDITOR HERALD :-"Hope springs eternal in the human breast," even though it is only to be knocked into smithereens by orders or high for several weeks that we would be among the Pennsylvania regiments to be mustered out of the service, but word received here Saturday makes it appear

and that the Fifth is destined to do garrison duty in Caba or Porto Rico. Unfortunately for us we have no voice in the matter, otherwise we would soon be home to resume our usual peaceful avocations. To say that the members of the Fifth were disappointed but mildly expresses the feeling of ninety-five per cent. of the boys. But hope has not entirely deserted us and we will make the best of it until our time comes to be mustered out. While at Rossville the other day en

oute to Lexington a number of the boys took advantage of the opportunity to visit a shirt and pants factory. It was a novel and interesting sight to see cotton and wool fed into machinery at one end of the sullding only to come out at the other end in the shape of garments finished even to the sewing of buttons, and ready to be pack into boxes. The ride from Chickamauga to Lexington gave us an opportunity to see a por-

tion of the mountains of Tennessee and Kentucky, which are strikingly similar county. The little patches of vegetables the clear cool mountain streams and the
