Those Dreadful Sores

They Continued to Spread In Spite of Treatment but Now They are Healed - A Wonderful Work. "For many years I have been a great inflerer with varicose veins on one of my limbs. My foot and limb became dreadfully swollen. When I stood up I could feel the blood rushing down the veins of this limb. One day I accidentally hit my foot against some object and a sore broke out which continued to spread and was exceedingly painful. I concluded I needed a blood purifier and I began taking Hood's Sarsaparilla. In a short tim those dreadful sores which had caused me so much suffering, began to heal. I kept on faithfully with Hood's Sarsaparilla, and in a short time my limb was completely healed and the sores gave me no more pain. I cannot be too thankful for the wonderful work Hood's Sarsaparilla, has done for me." Mrs. A.
