RFWLARD, 2

every Republican candidate for the Presidency, from Fremont to McKiniey, in its last issue comes out red-hot to Congress, but Joseph E. will be elected all the same.

"WHEN the Republicans wrested paid that debt, all but \$1,000,000, and has taken the tax off land and live stock."-Col. W. A. Stone.

IT is only a question of whether Colonel Stone's majority shall be 100,000 or twice that number, and it all depends on getting out the vote. 'The Republicans have at least 3,000 more votes things, said : in Somerset county than the Demo-

crats. Every Republican vote in the county should be polled on the 8th day of November.

SOLDIERS in service will largely lose their votes this year, because the Democrats its Congress killed off the bill permitting troops in the field to cast tested, usually takes the form of distrust and opposition.

NEXT Wednesday afternoon the citizens of Somerset county will have an opportunity to hear Col. W. A. Stone, didates on the Republican State ticket a big crowd, choice music and good speeches goes without saying.

THE vacancy in the Oregon United States Senatorship has been filled by the election of Joseph Simon, Republican, by 64 to 25. Mr. Simon is a Hebrew, born in Germany in 1851. He is and that the banner you placed in his a progressive American, favors the firm hands will be carried by him in triumph, establishment of the gold standard, the retention of the entire Philippine group; he wants a larger army and a stronger navy, and he realizes the necessity for the laying of a Pacific cable.

DEMOCRATS as well as Republicans appear to think that the next Senate will be controlled by the Republicans. A gain of two or three seais will put year out stand up and fight the common that body in Republican hands. The chances are that the Republicans will maintain their hold on the House, although their majority, which is now in the neighborhood of lifey, may be diminished slightly. The congressional lary Martin in Philadelphia to aid them, canvass thus far has not been active on | will be very badly fooled. They are Reeither side. Still, a good deal of inter- publicans, and they are supporting the This was made possible by Stone acting day comes. Confidence prevails at the stand up for the ticket, and it will be dividual bookkeeper. headquarters of the Republican camprign committee. The confidence, too, is supplemented by earnest, intelligent work. Effective efforts will be made to get the full Republican vote out. This means victory. Whenever a heavy vote is polled throughout the country the Republicans win. On a heavy and honest vote the Republicans have been in a majority in the United States con-

than hindered in his great battle by prosecution instituted too late to be determined before the election, when him were as well known to the as yet hidden prosecutors months ago as they are today. In this age of universa schools and newspapers personal de famation and political prosecution which must be tried after the political ontest is over, carry no conviction t the people of honesty of purpose or de votion to law and an honest publi

When the first proclamation of the harges was made, with the informaion that the whole police machines of the city and county was thought t e so unequal to serving the warrants that they had been put in the hands of the Pinkertons-a body of men obnoxious that a bill was introduced in the legislature not long ago forbidding their employment in this state public interest was worked up to high pitch. Nervous women who had relatives in the army might well trem-Cervera came out, was lying somewhat ble at the prospect that the district atfarther seaward than the other American orney might yet call the troops back ships. She headed in at once and when

into the field, in order to have the warrants served upon these desperate men approaching Spanish squadron, the Maria at the point of the bayonet. When i was announced, apparently by authority, that the district attorney was about o mount a guard, armed with a rifle and two revolvers, at the vault con taining the evidence, there was a natural curiosity to hear some of this precious evidence. When the first defendants were arraigned the magistrate's room was thronged almost t

suffocation. That was last week. This week when Mr. Haywood was arraigned only a corporal's guard of loungers about police headquarters rotained curlosity enough to attend. The people had digested the samples of what the district attorney calls evidence

and rated it at what it was worth. The great sensation didn't last long enough be even a nine days' wonder. Th tone of the state newspapers corre sponds with this situation, and the omments of hundreds of men who have been honestly opposed to Senator Quay, but who despise assassina tion of character as a campaign weapon, accords with it. The reason of this is not hard to find. It is no that the people of Pennsylvania are willing to cloak guilt in any man, or to permit any station, however high, or any past services, however great, to check the machinery of justice

But the common sense of fair mind ed men revolts at seeing the machinery of the courts turned over to any political faction to be used as an instru ment of personal spite and disappointed

"For justice, all place a temple, and

all season summer. But the only temple in all this city which suited the purpose of this prose into which to take a senator of the United States, was the com whatever of any complicity on the part of mon police court, where the odoriferous drunk and the greasy vagrant have their daily morning hearings, and in all this long summer, during which all the books and papers were in the hands was no seasonable date for beginning this prosecution until just a few days too late to be tried before the election It may be only a coincidence that during all these months of silence the district attorney, after 18 consecutive years in office, expected to be again renominated, and that the suits were nstituted shortly after he was notified Platt, is cashier of the bank. Assistant by Republican leaders of all factions that they would not challenge an up rising of the church and fireside vote

of this moral community by putting him again on the ticket. If the coincidence is not significant it is at least Ballot reform in New York was neces unfortunate. sary, says an eminent jurist, because The evidence of dishonesty of purpose mere politicians by trade who had no in-

in the time of bringing the prosecu tion, within a few weeks of the election after delaying for five months, compels even Colonel McClure to acknowledge

The character of the evidence presented, and the manner of conducting the hearing, were equally discrediting. The did,

- was no or insinuation that the state or any stockholder, depositor or creditor of the bank had lost a dollar by its dealings ever risked losing anything thereby. Third. There was exhibited a pocket note book, purporting to have been kept by an official of the bank who commi ted suicide after confessing to embezzlement-not one of the books of the of other unintelligible memoranda, this: "200 Quay."

And in two other places some other figures with "McKay" in one instance written near by, and "McKee" in another. In neither case were the names written in the same ink, or apparently In the same hand as the figures. They were evidently written in afterward. It is an interesting fact, not developed at the hearing, but will be proved as soon as the defense has a chance to be heard (if the case is ever pressed for trial), that after the bank closed, and several days before the receiver came into poson, one of the men supposed to be behind this prosecution, and one of Senator Quay's most vindictive enemies obtained entrance to the bank by night, went through its private receptacles and took away to a private house a bag full of its papers and most valuable of the Church. securities. If it were necessary to make alterations in private memorandum mittee on the Revision of the Constitubooks there was abundant opportunity

to do so. tion that no minister of the Episcopal But ever if the memoranda were not Church should solemnize the marriage of forged, it would require an expert with either party to a divorce during the lifean India rubber imagination to find in time of the other party. The llouse of them evidence to sustain the charge of Bishops has declared in favor of the miinspiracy to misuse state money." nority report permitting the remarriage any more than consultacy to recruit two of the innoceut party, and, when the can-

hundred Spanish spies. Fourth. There was evidence that R. R. Quay, the senator's son, who with refined malignity is also included in the dragnet information, at one time bor rowed \$100,000 from the People's bank. The books of the bank, however, also show that he deposited at the same time \$125,000 worth of stocks and bonds as security for the loan. The evidence that these securities were good and sufficient is that when it became necessary for him to pay the note, he transferred leg. Force is a blacksmith, and in conhis securities to two other banks-two of the oldest and most conservative naat his trade. Both parties reside at Gree tional banks in Philadelphia-and borowed the money upon them to do so. The only other transaction of R. R. Quay referred to in the whole Iroceeding is in a letter from the senator, saying that "Dick would be there the

next week, and would probably need and claims that his attending physicians some help. If necessary, sell enough of my Sugar certificates to enable you did not properly set the limb. to accomodate him." Does this lool as if the Quays had the state funds Mrs. Ballington Booth's Experiences. o use at their convenience? Mrs. Ballington Booth, of "The Ameri Fifth. When R. R. Quay applied for

can Volunteers," is writing out her exthis loan, although his securities were ample, being 125 to 100, there still reperiences in American prisons, and in the slums of New York, for The Ladies' mained the question whether the bank was in condition to spare so much money. President McManes did just what any bank president would do to avoid the chance of being pinched for to know the poor better, than any woman currency-write to customers having living. She will not only tell what she heavy deposits subject to check withhas seen, but she will point out what her out notice to inquire whether they near future. The state being the effective away in dealing with the people Come and judge for yourself and experience has shown her to be the most to the state treasurer. Treasurer Hay

wood replied that the state deposit to the amount of some \$600,000 would not be checked out watil the \$100,000 note posed trolley line to Scalp Level and was paid or arranged for. As the R. R Windber, mentioned in these columns Quay loan was a call loan, that is to say, subject to payment at any time on several times within the last few months, demand, and had abundant collateral subject to sale by the bank to by the Johnstown and Somerset Traction Company.
