The team which caused the disaster had been left standing by the driver while he entered a house, and had walked off on the homeward journey. When the top of the hill was reached the weight of their load urged them to faster and still faster speed, which meant annihilation to anything they met in the descent.

Work of Spies During the War.

Official reports of all commanding officers of the navy during the war have een compiled and published by the navy department. In the record of the naval war board an unknown hero is brought o light in the person of Eusign H. H Ward, who at the beginning of the war volunteered for secret service duty. Within a week after the declaration of went into the heart of the enemy's country, making his headquarters at Cadiz, and their movements. Then he went to the West Indies and reported everything that was going on there of importance to the American navy. Next be went in disguise to Porto Rico, where he was arrested as a spy. By advoitness he secured his release, and escaping to San Juan, cabled the navy department a full account of the state of the defenses there and the preparations making for the reception of the Spanish squadron under

While Ward was in Porto Rico, Ensign Buck, another attache of the navigation bureau, was on the shores of the Mediterranean in disguise watching every moveof the squadron of Admiral Camara, which started for the Philippines, but

turned back. Admiral Dewey was told long before 10 days after the destruction of the times to and fro. FROM FOOT TO KNEE

Ohio Woman Suffered Great Agony From a Terrible Sore-Her Story of the Case, and Her Cure.

"For many years I was afflicted with a milk leg, and a few years ago it broke out in a sore and spread from my foot to my knee, I suffered great agony. It would burn and itch all the time and discharge a great deal. My health was good with the exception of this sore. I tried a great many kinds of saive, but some would irritate the sore so that I could hardly stand the pain. I could not go near the fire without suffering intensely. Some one sent me papers containing testimonials of cures by Hood's Sarsaparilla, and I told my husband I would like to try this medhelped me. I kept on taking it until my limb was completely healed. I cannot great benefit it has been to me. It cleanses the blood of all impurities and EAREN, Whittlesey, Ohio.

You can buy Hood's Sarsaparilla of all druggists. Be sure to get only Hood's. Hood's Pills are the favorite family enthantle. Price 25c.

Alum baking powders are the greatest menacers to health of the present day. ROYAL BAILING POWDER DO., NEW YOR

> North Dakota Weather. MERRICOURY, N. D.,

We are having a nice, clear winter so zard stricken East has our sympathy. A North Dakota farmer dropped dead while having last week. His death, of

course is to be regretted, but it is something of a "card" for North Dakota that her farmers were having on the days when Iowa, Kansas and the other Southern States were afflicted with the worst. Lancaster Ginghams, snow storms in years. Yet such is the case. Come to North Dakota and live easy, comfortable and happy. Farmers have had no occasion to feed

as yet. Stock pastures on the prairie, and is doing very well. Lots of horses have not been in the sarn this winter, and the indications are that they will not need to
