Mr. Baldwin, of Delaware, on the Republican side, spoke for the resolution and in favor of the President's policy on the expansion emerican at heyes. his wife Emma with general indigni Mr. McClain, of Lancaster, said he had an abiding faith in the President, and urged the passage of the resolution. He He Frank Wilbret said that he and his nominate a candidate for State Senator | thought it a patriotic duty of every Amstand by the President. April 28, 1895, with two sisters living in Mr. Creasy demanded a division of the uestion on the clause affirming the right f sovereignty over the Philippine Isl-South St. Louis, and were married. A short time after the double marriage the The expansionists won by a vote of 60 that they had made a mistake, and left to 44. The resolution was then adopted without division. The vote was on strict party lines. The Democrats approved their wives, and concluded, as they had party lines. The Democrats approved the clause to invite the President to Harbeen married together, they might as ris burg, but did not insist on a roll call and the resolution was adopted as intro will be divorced together. Congressmen Forfeited Their Seats. A significant feature of the voting was the face that the Van Valkenberg agents, in order to curry favor with the Demo-crats, ran about the hall of the House urging the bolting Republicans not to vote They have been antagonizing the Demo crais on so many propositions that the managers of the bolting contingent feared they would by opposing the Creasy reso-intion give the Democrats another excuse to break away on the Senatorial question. The result of this canvassing was that here was but a majority of twenty-two u the vote to sustain the President's alicy. Among the bolting Republicans who were present, but did not vote, were Allen, Lanbach, Reed, Savage and Strad-ling, followers of David Martin, from Philadelphia; McElhany and McCand ome vacant. ess, supporters of William Flinn, of Al In the cases of the other members of | sentative! legheny; Young, of Tioga; Sexton, o Montgomery, and Koontz, of Somerset." the House who held civil appointments on the various commissions appointed by Representative Koontz, for the purthe President, the committee decided be a buzzard; if he were born a reptile pose of currying favor with the Demothat they were entitled to their seats in he would be a lizard, and if an insect crats, whom he is weak enough to Congress, as they had received no salary he would be a bedbug. THE patriotic societies are doing a notable work in encouraging the boys and girls of the country to turn their attention to American history. The prizes and medals offered for essays bearing on colonial and Revolutionary history will stimulate youthful interest in these epochs to a gratifyingextent, for the institutions of our nation can thorough knowledge is acquired of the means that brought about their establishment, and of the sacrifices by which they were secured to us. No better ambition could be roused in youthful students than one to master the national history.

SCARCELY a day passees but the enemies of Senator Quay unearth some atrocious plot that the Senator is about to spring to discomfit his enemies and compass his election. The uncarthing of these plots is always followed a day efter by an elaborate explanation of how they would have been sprung had it not been for the remarkable keenness of the anti-Quay people in discovering and publishing them at the opportune moment; and thus it goes from day to

day. If the "Old Man" contemplates 220, of which il were due to wounds and a "coup" it is not likely that Mr. Wan- accidents. Of the remaining 179, 65 died
