the Future.

The banquet was the largest ever ar

ranged in this country, the exact number of persons who were served being 1,914. Reside these there were fully 3,800 specta-Kong and Admiral Dewey that he would | tors in the balconies | The reception was held in the Paul Revere hell, and for over three-quarters of an hour President McKinley and other distinguished guests stood in line and were introduced to and shook hands with fully 2,500.

There was great enthusiasm when the dinner had been concluded and some of the tables removed to make way for president. President McKinley was then

"The years go quickly. It seems not so long, but it is in fact six years since it was my honor to be a guest of the Home Market Club. Much has happened in the then cogaging us have been settled or put aside for larger and more absorbing ones are generally satisfactory. We have sons which will never be unlearned and which will be valuable in guiding our future action. We have not only been specessful in our financial and business whether it shall require 20,000 or 50,000 affairs, but have been succe sful in a war with a foreign power which added great glory to American arms and a new chaper to American history.

"War was declare I in April, 1898, with ractical unanimity by the congress, and ice upon us, was sestained by like unaimity among the people. There had been many who tried to avert it, as, on the other hand, there were many who would have precipitated it at an early date. In its prosecution and conclusion the great majority of our countrymen of every section believed they were fighting in a just cause, and at home or on sea or in the field they had part in its glorious triumphs. It was the war of an undivided nation. Every great act in its progress, from Manilla to Santiago, from Guam to Porto Rico, met universal and hearty commendation. The protocol ommanded the practically unanimous approval of the American people. It was eath the flag.

"The Philippines, like Cubs and Porto Rico, were intrusted to our hands by the war, and to that great trust, under the providence of God and in the name of ommitted. It is a trust we have not ought; it is a trust from which we will not flinch. The American people will hold un the hands of their servants at ome to whom they commit its execuion, while Dewey and Otis and the brave men whom they command will have the apport of the country in upholding our surance of liberty and justice.

"We hear no complaint of the relation created by the war between this governwhat should they do toward preparing to transfer them to some other power, or transfer, it could not have been made without the most serious international

om Heations. "Our concern was not for territory or rade or empire, but for the people whose nterests and destiny, without our willing it, had been put in our hands. It was to the last not one word or line went from the executive in Washington to our milltary and naval commanders at Manila of our peace commissioners at Paris that did not put as the sole purpose to be kept in mind, first, after the success of ou irms and the maintenance of our own nonor, the welfare and happiness and the rights of the inhabitants of the Philip pine islands. Did we need their consento perform a great act for humanity? We ha i it in every aspiration of their min 's in every hope of their hearts. Was it necessary to ask their consent to capture Manila, the capital of their islands? Did from Spanish sovereignty or to enter Manila bay and destroy the Spanish sea power there? We were doing our duty by them as God gave us light to secour duty. Every present obligation has been me weather such as they rarely if ever ex- ville. PRESIDENT FAURE DEAD. The Executive of France Sucoumbs to Stroke of Apoplexy. M. Felix Faure, President of the re-

hours, of apoplexy. The sudden death of Faure, startles the of which, at least, have been so s ormy, about disalpated his fortune. that it may well be believed his death was hastened, if not brought on by constant worry and embar, assment. It is a ittle singular, that, after having escaped three attempts to kill him, he should die at last in a manner no less sudden and

unexpected. Faure was born in Paris, January 30, 1841. Though of protestant descent, his own religion was Roman Catholic, H. was a self-made man and began life as a ourneyman tanner in Touraine, but ventually became a ship owner in Havre where for some time he was president of the local chamber of commerce. During the Franco-Prussian war he was at the head of a detachment of volunteers and brought supplies from Havre to Paris in aid of the people burnt out by the com

Loubet Elected To Succeed Faure.

Paris, Feb. 18.-M. Loubet was elected president of France at a meeting of the senate and chamber of deputies, to-day. The count shows that the total number of votes east was 817, of which M. Loubet received 483 and M. Meline 270. After the formal announcement of the vote, M. Loubet was informed of his election in a private room of the Versailles palace. In a few words, appreciative of the honor, mman progress and ci-likation, we are he thanked the committee sent to notify Never has the national assembly of

> France met at Versailles for the purpose of choosing a president of the republic under circumstances so lacking in excitement or even interest. The situation was not altered overnight, and at the hour when the Senators and deputies filled the great convention hall M. Loulips. His opponents contented themselves with the cynical observation that the president of the republic was a mere political nonenity by reason of the limreally of less consequence who was chosen to fill the ornamental office than was the election of the humblest deputy. This is largely true, but no one is able to deny the moral and political significance of the concentration of Republican support area. itation of his powers, and that it was oncentration of Republican support upon a man who is a staunch supporter of the principles of justice in the great crisis which still paralyzes France.
