

The Somerset Herald.

WEDNESDAY, May 10, 1906.

It is expected that all the volunteers will be mustered out by July 1. The resolution of the army has been ably and economically managed.

Since January 1 the typhoid fever record in Philadelphia is 577, or 618 deaths, or three times the casualty list of the war with the Filipinos.

EX-ACCOMMODATION GENERAL GREENE announces that, owing to the condition of his health, he can not be induced to be a candidate for State Treasurer this year.

HEREAFTER the man who puts a wire fence along his property fronting on the public road will not be liable to be prosecuted. The law permitting such fences has been approved by the Governor.

REPRESENTATIVE KEENE may have another opportunity of voting for his Democratic idol, George A. Jenks, as there is talk of making that gentleman the Democratic nominee for State Treasurer.

AGUINALDO's request that his Congress be recognized by the United States is a proposition to give him all he asked originally. He is in revolt against the authority of this country, and must submit.

It is getting to be the fashion to address stamp envelopes on the back. With the direction written across the folds, the letter can not be opened by an unauthorized person without the fact being noted.

THE probabilities are that an extra session of Congress will be called to meet in September or October. This would indicate that the President has any fears of being sustained in all that he has done since adjournment.

IF THE doctrine preached and practiced by Representatives Keonitz and Kendall at Harrisburg, that majorities don't rule, and that nominations don't nominate, is to be adhered to, there is little use in holding primary elections.

THE mercantile tax bill has now been approved by the Governor, and now there will be some figuring concerning how much the State will get from it. Even the State's financial officers are dubious about the large amounts that were promised through the bill.

WESTMORELAND county Republicans will hold their primary election on June 24, and a battle royal will be fought between State Treasurer Bowen and John B. Steele for the nomination for Judge. The candidates for delegates to the State Convention have announced. Five are to be elected.

COT. A. L. HAWKINS and Lieut. Col. James E. Barrett, both of whom are now at Manila with their regiment, the Tenth Pennsylvania, are prominently mentioned as available timber from which to select the Republican candidate for State Treasurer. Either would make an invincible candidate.

QUITE a number of gentlemen who were actively engaged in handing out cards and electorizing during the day went to bed Tuesday night under the impression that they were candidates, but when they awakened Wednesday morning they discovered they had "bugged" had "bugged" the "McKinley dream" had been at work while the "bug" was drawing.

THE anti-imperialist documents being circulated by the traitors in Boston will hereafter be stopped in the mails. It is bad enough to have an army of insurgents lighting the men at the front in Manila, but this fire in the rear from the traitors is infinitely worse. The Government ought to arrest a few of the leaders and shut them up for a while.

THE Mugwumps who have been declaring that Senator Quay will never be elected on the Governor's certificate will have to revise their estimate. Almost every United States Senator who happens to drop into Washington these days expresses his determination to vote to seat Senator Quay; and this is not at all encouraging to the Mugwumps and Quay-haters.

THE "Honest Government" party, that ran Doctor Swallow for Governor last year, has disbanded and gone out of politics. The Executive Committee, before disbanding, issued a financial statement showing an expenditure of about \$10,000, which indicates that the modern reformer finds it necessary to keep the machine well oiled if any kind of political work is to be accomplished in a way of winning votes. \$10,000 is a pretty good sum, not to take into consideration the much larger sums expended by individual efforts to assist the cause.

MERCER county Republicans held their primary election Saturday. The returns are all in and there is not much shouting in the anti-Quay camp. Both delegates elected to the State Convention are staunch Quay men. Mercer was claimed as doubtful territory, and the modern reformer finds it necessary to keep the machine well oiled if any kind of political work is to be accomplished in a way of winning votes. \$10,000 is a pretty good sum, not to take into consideration the much larger sums expended by individual efforts to assist the cause.

FRANKFURT, Pa., May 5.—The appetite of a pet goat was excited to a high degree by Charles Wagner, of this place, who tickled the animal's nose with a \$10 bill. The goat suddenly lunged forward, snatched the crumpled bill, and swallowed it. This was a fatal move for him, for he was promptly killed by the bites of the bill were taken from his stomach. They will be sent to Washington to be retained.

PRESIDENT HAS RHEUMATISM. WASHINGTON, D. C., May 4.—President McKinley is suffering with an attack of rheumatism, as well as from the great strain under which he has labored for many months, and has decided to leave the White House for a few days. He is accompanied by Mrs. McKinley, Elizabeth J. Gorman, Moore Lake, Miss Gorman, and Miss Gorman.

MAKES WEAK STRONG.—I would give \$2 a bottle for Hood's Sarsaparilla if I could not get it for less. It is the best spring medicine. It makes the weak strong. Address: J. C. Wells, New York, N. Y.

Wanted—An Idea. Who can think of a new idea for a new business? I will pay \$1000 for the best idea. Address: J. C. Wells, New York, N. Y.

Give the Children a Drink. Give-O is a delicious, appetizing, nourishing food drink to take the place of coffee. Sold by all grocers. It is liked by all who have used it because when properly prepared it tastes like the finest coffee but is free from all the deleterious elements of coffee. It is a stimulant but a health builder, and children, as well as adults, can drink it with safety. It costs about as much as coffee. 15c and 25c.

Colonel Hawkins Was Wounded. WASHINGTON, May 3.—The list received at the war department today from general lists of casualties in the Philippines shows that Colonel Alexander Hawkins of the Tenth Pennsylvania regiment has been slightly injured in the arm. He is being treated at the hospital at Manila. He is accompanied by Mrs. McKinley, Elizabeth J. Gorman, Moore Lake, Miss Gorman, and Miss Gorman.

INSURGENTS ARE TURNED DOWN HARD

Republicans of Bradford and Mercer Counties Take Them In Hand. REPUDIATED AT THE PRIMARIES. Governor Stone's Administration Cordially Endorsed, and the Men Who Sought to Embarrass It Are Condemned by the People.
