We know of nothing that will interst you more this week than to give a few facts concerning the wonderful trade this store has enjoyed the past two weeks. There was a time when July was condered a dull month. Indeed, it is so considered now by most merchants. This louse, however, never has dull seasons We have found that if the right kind of ow prices are put upon first class goods copie who have an eye to saving still bay, if not for present use for future use. Instances: In this big inventory sale last week the Silk Waist Department sold one morning before nine o'clock over one hundred Silk Waists; the same day over two thousand Photograph Frames found new owners, something like twelve hundred Men's Madras Negligee Shirts specially priced were taken nside of two days-that is to say there were that many shirts of one special line sold; the selling of Women's White Pique and Colored Pique Skirts were ab-

normally large. All of which is mentioned simply to show you that if you are in need of anything whatsoever that is carried in this store, and we sell about everything that is used for home or person, all you have 1196 Broadway, New York; 850 Fulton is used for home or person, all you have street, Brooklyn; 789 Broad Street, New- to do to get what you want very good, it under-priced.
