More costly costumes and more scenery used in the one great feature of Solomon and the Queen of Sheba than in the entire combined features of any other exhibition in this country. Over \$100,000 actually expended on this grand production alone. The most magnificent Scenery, Costumes, Emblems, Armors, Trappings, in every detail historically correct. 100 of the most beautiful dancing girls in America.

The Circus Features

This season obtained from Europe and America will amaze and startle the world. Nothing like them ever before presented in this country. The most novel Bare Back Acts ever witnessed. From nine to twelve of the World's Greatest Champion Lady and Gentlemen Equestrians riding in three rings at one time. This feature is new and original with this show.

The Menagerie

Surpasses in magnitude and completeness the largest known Zoological collection in the world. One of the special features of the Big Triple Menagerie is the LARGEST SNAKE ALIVE-TWENTY-FIVE FEET LONG. Ordinary snakes are fed on rabbits and rats, while this reptile devours pigs, sheep, turkeys and dogs. Greatest feature ever witnessed
