As ELECTION time approaches, the R-publican county ticket becomes more and more popular. Those of the candidates who have visited the voters of the county have made a most favorajority.

LAST year the "Socialist Labor" party p-lled 4,278 votes in Pennsylvania. Though this was not sufficient to entitle the party to a place on the ticket this each of these parties has nominated a State ticket by nomination papers. "The national committee of the Democratic party in session at Chicago to consider the work of party organization preparatory to the campaign of 1900, sends greeting to the Democracy of the nation, with the assurance that the prospect of Democratic success next year grows brighter every day, and we have every reason for confidence as to the outcome.

"The great need now is party unity and thorough organization. The committee therefore appeals to our party friends in all states, and especially in the states where elections are to be held this year, to put aside all local differences wherever they exist and support the regular party tickets earnestly and enthusiastically, keeping always in view the great struggle of next year, and remembering that in unity there is strength and in division weakness."

With this appeal to Democrats to stand by their party in the hope of success in next year's presidential election still upon his lins, Colonel Guffey returns to Pennsylvania to reiterate to Republicans, whose support he seeks for the silverite candidates on his state ticket, that "this is an off year camyaign in Pennsylvania.
