Mr. and Mrs. Frank B. Black, of Meyersdale, are the guests of Somerset residents at the home of Mrs. M. J. H. Uhl, of Philadelphia, on their recent visit to the city.  
Representative S. A. Kendall, of Meyersdale, was a county seat visitor yesterday.  
Hermanus Trent, of Johnstown, spent last week with relatives and friends in this place.  
Mrs. Mary Uhl Patton, of Philadelphia, is visiting at the home of her parents, Mr. and Mrs. John H. Uhl.  
Frank Kefer, of Ligonier, is spending a few days with Somerset friends. Kefer was Chief Bugler of the Tenth Regiment in the Philippines.  
Mr. Walker and three children, of St. Anthony's Falls, Minn., are guests at the home of the former's father, Mr. Alexander Shaulis, in Jefferson township.  
Dr. Hermanus Baer returned Monday night to Philadelphia, where he will resume his studies in the Jefferson Medical College. He expects to graduate next spring.  
Mr. Chas. F. Uhl returned Friday from Philadelphia and New York, where he made a tour of the best markets for the purpose of securing a complete line of Fall and Winter Goods for Uhl's popular store.  
Gideon Shaulis, who lives four miles west of Bakersville, had a kind of "sugar" party at his home on Friday, and early next spring will begin the erection of a handsome brick residence on the site of his present dwelling.  
Mr. John H. Pellan, of Lovett, Pa., and Miss Laura K. Lewis, of Falmers, Pa., were married on Friday, September 27, at the Somerset House. The ceremony was performed by Rev. Hiram King, of the Reformed Church.  
Mr. Emanuel Steiner, of Buffalo county, Pa., was in Somerset Saturday, the guest of his father, Mr. George Steiner, 25th. The former is a member of the Pennsylvania State University at Harrisburg, Pa., and is expected to graduate next spring.  
A new compound, made of the cheapest kind of chemicals, is to be put up in capsule form, and when added to a certain quantity of water will furnish electricity enough to light a house, run an automobile or a railroad train. The inventor is John Post, president of the New York National Light, Heat & Power Company, Mr. E. V. Woodcock, of the Babcock Lumber Company, and Mr. Clark Duncan, a popular winter hotel man.  
The women of the Calvary Methodist Episcopal Church, Allegheny, of which Mrs. Sullivan Johnson and Mrs. Edward E. Earl are members, are arranging for a social to be given by Miss Mabel McKinley, assisted by several well-known musicians of that city, in Carnegie Hall.  
Phillips veterans Howard Cronwell and Joe Levy sat this morning for Connelville, where they will join their late command, Company D, Tenth Regiment, and to-morrow will proceed to New York, where the Tenth will take part in the last parade in honor of Admiral Dewey. The Tenth will be the only body of troops in the parade that fought with the great Admiral at Manila.  
Miss Dashi, daughter of Mr. and Mrs. Peter Vogel, of the city, is to be married to Mr. J. H. Uhl, of the city, on the 1st of October. Miss Vogel is one of Somerset's most intelligent and cultured young ladies and her absence will be regretted by her many friends.  
A domestic accident occurred at the Hotel Vanmeter during the week was Mr. J. C. Henry Lubkin, of the Berwind-White Coal Company. Mr. Lubkin is an expert mining engineer and has been located at Windber for some time, where his work has attracted the attention of coal operators throughout the country. He recently declined the general superintendency of the Niverton Mines in the Elk River district, which is a young man of exceptionally fine ability.  
After eight weeks absence, during which time he spent six weeks touring through Europe, John H. Uhl, Esq., returned home Friday evening. There were few things of note, including the death of a young man, who was killed in the Transvaal that did not receive more or less attention from Mr. Uhl while he was abroad, but notwithstanding that absorbing topics and the pleasures of his trip were discussed at length and he is expected to be home again in Somerset.  
George W. Saylor, who recently enlisted in the Volunteer Army, returned from Camp Meade, Friday, he having failed to pass the first physical examination. George was a member of Company H, Fifth Regiment, and was recruited by the recruiting officer at Connelville. The defect which caused his rejection was sustained in childhood and has never been the source of any discomfort, but it is considered sufficient to bar him from entering the army at this time.  
Jesse Albright, a B. & O. brakeman was instantly killed on the Salisbury branch between one and two o'clock Monday afternoon. He was dropping his mail bag when he stepped on the rails, and was thrown down, when by some unknown means he was thrown beneath the cars. Both of his arms and both legs were cut off, and he died instantly. He was a well-known resident of the city, and was the father of several children. He was about forty years of age.  
Second Lieutenant Moses R. Ross, of the Forty-sixth Regiment, U. S. Army, was killed in action on Monday morning, and shortly thereafter opened a recruiting station at the Hotel Vanmeter, where he is enlisting men for service in the Philippines. Lieutenant Ross, who was recruited by the commission from Robert McKinley, is a son of Mr. Robert E. Ross, of Addison. He was a Corporal of Company I, Fifth Regiment, and was one of the most popular members of that command. His many Somerset friends are manifestly pleased at his good fortune. The Forty-sixth Regiment is being formed at St. Paul, Minn., and as soon as it has been recruited to the maximum will sail for Manila, where it is scheduled to report early in December.  
Charley Kifer, a well-known young Somerset township farmer, met with a serious accident Friday night, and his few sheep he had purchased to his farm, five miles east of town. When one of the sheep escaped from the wagon Kifer went after it, and during the chase he was struck by the runaway horse. Turning his attention to the runaway horse, he soon overtook them and was about to catch hold of the reins, when he slipped and fell under the wagon, the wheels of which ran over his legs. Medical attention was summoned, but when the physician arrived his limbs were so badly swollen that it was impossible to amputate the extent of his injuries. He is a son of Michael Kifer, of this place.  
Irvin Nichol, aged about seventeen years, an employee of Miller's tire establishment, had a narrow escape from a horrible death one day last week while engaged at putting up a new street residence. Nichol and George Miller were at work on the roof of the front veranda, when the ladder on which the former was standing slipped, and in attempting to save his companion, Nichol lost his balance and fell back towards the stone parapet, and fell four feet below. He was gashed and carried into the house where, after a while, he was pronounced dead. It was found that no bones had been broken. The young man was badly bruised, and has since been confined to bed. Miller was unharmed.

Merchant Bennett, of Bakersville, has just completed a fine new store building. Contractor P. A. Schell has a force of plumbers at work placing a steam heating apparatus in the Bess Block, the largest business and office structure in town.  
The Bakersville Y. P. S. G. E. will hold their anniversary service on the evening of October 28th. An interesting program in the course of preparation for the occasion.  
The races at Lavantville on next Saturday promise to be the sporting event of the season at that place. All of the fastest games in the county have promised to be present.  
At a recent meeting of the local Ministerial Association it was agreed to change the hour for holding evening services and prayer meetings from 7:30 o'clock to 7 o'clock, to go into effect next Lord's Day.  
Maple sugar is selling at 12 cents per pound in this county, while in other parts of the county it is selling at 10 cents per pound. The farmer who was first caught enough last spring to hold his sugar crop is in luck.  
M. C. Miller has opened a general store at Middlebrook, two miles east of New Centerville. He has erected a new two-story frame building and expects to restore his family to that point within a few days.  
His genuine plantation having been raised by thieves, J. G. Osborn, of Westfield, Toga county, set guns and strung wires so that no robber could lift any gunning without shooting a gun. The wires were strung on Friday evening, and as Osborn was leaving the field he accidentally ran against one of the wires and was filled with bird shot.  
The Prohibitionists of this county will open the campaign with mass meetings at Berlin and Meyersdale, on September 28th. The former meeting will be held at 1:30 and the latter at 7:30 p. m. Prof. Benton Lewis, lecturer of the Temperance University at Harrisburg, Tenn., will address both meetings. Addresses will also be delivered by other able speakers.  
The Secret Service has unearthed another band of counterfeiters and secured a large quantity of bogus bills, which are being printed and distributed in the neighborhood of Somerset. Things of great value are being supplied by counterfeiters for imitations, notably the counterfeit of the United States, which has many imitations, but no equals for indigestion, dyspepsia, constipation, nervousness and general debility. The Bitters sets things right in the stomach, and when the stomach is in good order it makes good blood and plenty of it. In this manner the Bitters get at the seat of strength and vitality, and restore vigor to the weak and debilitated. Beware of counterfeiters when buying.  
Recent deaths.  
Miss Grant, the three-year-old son of Mr. and Mrs. John Bissel, of Jefferson township, died September 25th.  
Mrs. Priscilla Bridgman died at her home in Millport township on Saturday morning, Sept. 26th, and was buried at 7 and 10 p. m., a large party of men and boys, armed with the proper knives, made a raid on Michael Amsell's corn field, during which time they cut and stood up 107 shocks of corn. Our informant is not a member of the cutting party, but he tells us that Charley Rhoads, of Somerset, was, and that he will vouch for the truth of the above.  
There are many uniformed employees of the Baltimore & Ohio who have spent the better part of their lives with the company, and who are very proud of their length of service and the devotion to duty that has made them valued men. Vice President and General Manager Underwood will shortly issue an order providing for the award of stripes to those men, that the public may know of their faithfulness and ability. A gold stripe will mean five years of service, and a silver stripe two years.  
The postoffice department has given notice that the additional mail service will be withdrawn next Saturday. This will be an unwelcome news to nearly every body receiving mail matter between Rockwood and Johnstown. It is expected that the vigorous protest will be forwarded to the postoffice department, since the additional accommodation afforded the people living in the territory affected would seem to justify a continuance of the present service.  
An accidental shooting that may yet terminate fatally occurred at Sunday postoffice, Paint township, on 8th morning. Jesse and Ira Wierick, aged 16 and 18 years respectively, were monkeying with a 22 calibre self-loading rifle when the weapon was accidentally exploded, the bullet striking the younger boy in the stomach and passing entirely through his body. Medical aid was promptly summoned and everything possible is being done to save the unfortunate young man's life, but the attending physician declares grave doubts of his being able to do so. The young man is the son of Mr. and Mrs. Ira Wierick. The wounded lad was employed at Heartber, his brother and parents are Wendber, of the same address.  
"Pete" Meyers, the condemned murderer of Michael Kearney and John Leary, was taken to the State Prison at Pottsville, Pa., on Monday morning, where he will be confined for the remainder of his term. Meyers' attorneys have not yet published notice of their intention of appealing to the Supreme Court in his behalf, and Governor Stone has not designated a day for his execution.  
Edward Walker was taken into custody Monday afternoon by Sheriff Hartzell and lodged in jail to await the action of the court in the charge of larceny. Walker is charged with carrying away several pairs of pantaloons, an overcoat, a pair of shoes, a silver watch, and a razor belonging to Henry Kefer, of Paint township. Walker is a member of the local police force, and is a well-known man in the community. He was arrested at the residence of his father, Mr. Edward Walker, of the Commercial Hotel and asked for employment as a porter. Lanford Stein, who had heard a description of the thief, recognized the man as the man who had stolen the property of Henry Kefer, and reported the matter to the Sheriff. Walker claims Houtzdale, Pa., as his home.  
Somerset will enjoy the novelty Saturday of two United States recruiting stations, both located at the Hotel Vanmeter. The first station is headed by Second Lieutenant Henry F. Egler, of the Forty-sixth regiment, arrived Tuesday and distributed posters announcing that he would be in Somerset on Saturday next for the purpose of receiving applications for enlistment in his regiment. Dr. Leuther will conduct the physical examinations for Lieutenant Ross and Dr. Stauffer will perform similar duty for Lieutenant Egler. Applicants must be between the ages of eighteen and thirty-five years, of good character and habits, and free from disease. Married men will not be enlisted except upon the approval of a regimental commander. Private recruits will receive \$15.00 and non-commissioned officers from \$15 to \$40 per month. Lieutenant Egler's regiment is stationed at Camp Meade, near Harrisburg, and will sail for the Philippines from New York via the Suez Canal.

Criminal Court.  
The regular term of Quarter Sessions Court convened at 10 o'clock Monday morning, Judge Longenecker presiding. Jesse Liston, of Addison township, was appointed foreman of the grand jury, and C. C. Krupper, of Bessville, was excused from serving as a member of that body.  
The first case taken up for trial was one in which Wm. Englen, appeared as defendant, the indictment charging him with selling liquor without license and on Sunday. The prosecutor was George Witkowski. Both parties had from Lisib. The evidence was very contradictory, witnesses for the Commonwealth claiming that they had purchased beer and whiskey by the drink, bottle and keg from defendant, a white witness for defendant testified that they were members of a "beer club" and that Meghen acted as their agent in ordering supplies. Judge Longenecker charged the jury at the opening of court, yesterday morning and before the case was called on for trial returned a verdict of "guilty in manner and form as indicted."  
The District Attorney announced that the following cases had been continued until next term:  
Commonwealth vs. Ed. Shannon, F. & B.; same vs. Supervisors of Black township, neglecting to keep public road in proper condition; same vs. Geo. E. Frank, F. & B.; same vs. Ed. Shannon, rape; same vs. John Miller, selling liquor without license; same vs. Mel. Mosholder, F. & B.  
CASES NOW PROSE.  
A nol prosequi was entered in the following cases: Commonwealth vs. Grover Nair, James and John Ludy, H. Hemminger and W. Breeding, burglary; same vs. Alice Lower, same vs. C. R. Kruger, same vs. Edward Weimer; same vs. W. Gardner; same vs. Spencer Wagner; same vs. Frank Rhoads; same vs. H. J. Shaffer; same vs. Martha Barnhart; same vs. W. G. Barnhart; same vs. John J. Hauger; same vs. Charles Oster; same vs. W. G. Hocking; same vs. Andrew Langhauer.  
Still More Counterfeiting.  
The Secret Service has unearthed another band of counterfeiters and secured a large quantity of bogus bills, which are being printed and distributed in the neighborhood of Somerset. Things of great value are being supplied by counterfeiters for imitations, notably the counterfeit of the United States, which has many imitations, but no equals for indigestion, dyspepsia, constipation, nervousness and general debility. THE OLDEST HORSE TRIFLE  
Peter Zimmerman, aged 75, is Again in Prison.  
An interesting specimen of the criminal class was placed in jail here Thursday, says a Greensburg dispatch. Peter Zimmerman, a life-long inmate of the State penitentiary, has been charged with stealing horses, and boasts that he has stolen nearly 100 horses, and has spent 40 years in prison, covering a period of 65 years of his life. He is 75 years old to-day and on his birthday and in a new prison because he has never received over 14 months as a sentence for a single animal. He has the prison in the penitentiary twice from Fayette and from Butler, Lawrence and other counties in Western Pennsylvania.  
The life of the old man has been tinged with sorrow, invariably, however, brought upon himself, through an apparently irresistible impulse to steal when a horse suiting his fancy would come into his hands. He has no regrets for his past life, however, and is happy because he has prospects of again being sent to prison. He says he is too old to work, and will be content with a long or short period of confinement in the penitentiary. Zimmerman was born in Donegal, this county, September 2, 1821. He was about 15 years of age when he began stealing horses. One day he saw a horse in a pasture held near Ligonier's Mill, in M. Pleasant township. He took the animal and hurried off to Somerset. There he was arrested and taken to the Uniontown jail. He escaped from the prison a few days afterward and entered upon the horse-stealing business with a vim that terrorized the horse owners of that section. He would be arrested, sentenced to prison, released, and when the season is in good order it makes good blood and plenty of it. In this manner the Bitters get at the seat of strength and vitality, and restore vigor to the weak and debilitated. Beware of counterfeiters when buying.
