THE first battle for the control of the next Legislature was fought in Jeffers.m. county Tuesday a week and resulted in a complete rout of the Insurgent forces and an overwhelming victory for the friends of Senator Quay. Jefferson and Indians counties compose a State Senatorial district. Jefferson county has had the Senator for eight years, and, under the rotation system, it goes to Indiana county this time. Two Indiana county condidates were named, and the ballots were cost directly for the candidates. The Stalwarts named Mr. John S. Fisher as their candidate. and the Insurgents and bolters named D'. The issue was squarely made, and the fight was between the friends of Senator Quay and his opponents. Mr. Fisher's majority was in the neighborhood of 2,500, which ensures his nomination. The only thing left for t ie Insurgents to do is to fase with the Democrats, and, as a matter of fact, this is what they intend to do everywhere. They will contest the primaries in the different counties.
