LOCAL AND MISCELLANEOUS.

Notice—Special.

R. J. McQuillen's connection with this paper has ceased, and he has no authority to collect any monies due the institution.

M. E. Sabbath School every Sabbath at 9 o'clock in the morning. All are invited.

The Oil City Times has been purchased by Sheriff Herpst, of Venango county, who will continue its publication as a daily paper.

We have received Ballou's Magazine for December. Contents excellent. Terms, 15 cts. per copy, or \$1.50 a year.

Nothing unusual.—Our quondam brother-overseer-of-the-Poor, J. Weuk, promised to mend our shoes on Saturday last, and hasn't had them near a last from that day to this.

Some persons under the influence of benzine, made the night hideous by yelling, singing and dancing through the streets on Friday evening of last week. We have a strong jail, too.

The ferrying business is good at this point, at present, and has been for several weeks. The ferry boat is crowded on the arrival of nearly every passenger train. Cause, oil up the creek.

FOR SALE.—At this office, a scholarship in the Iron City Commercial College. Must be used by an individual living in Forest County. Will be sold at a discount.

Col. Reisinger, of the Meadville Republican, and his wife came to town on Saturday afternoon and put up at Dr. Winans', with whom they are slightly connected, until yesterday. May their visits here be frequent.

Mrs. Jacob Lackey, who lived about one and one-half miles down the river, died on Friday last. She had been sick for two years with consumption. She leaves six children. The funeral took place on Saturday.

Mr. Joshua Thompson has moved his family into town, and is living in the Bowman house, on Race St. Mr. Setley, our County Treasurer elect, boards with him. Mr. Setley will enter upon his duties as Treasurer about January 1st.

L. H. Metcalf, Esq., has retired from the editorial chair of the Oil City Times. He is a vigorous writer, and has done good service for the Republican party of Venango county. He has our best wishes for his future prosperity.

Bob Stephenson is again on his pins, and will soon be ready for business again. He has been having a seizure of the typhoid fever, and is looking rather thin.

P. S. Since writing the above we learn that Robert has had a relapse. He is again improving.

The Press says that Col. Reisinger has bought out White's interest in the Meadville Republican. White's interest might be expressed by placing a minus sign before about \$7,341.77. Col. Reisinger bought the office in toto of those who owned it.

We have been having such magnificent weather most of the time since our last issue that we cannot find it in our heart to complain of the couple of rainy days we have had during the week. We have had more real fine, rip-staying, beautiful weather this fall than we have had any fall before in the memory of the oldest inhabitant.

Rev. Ralph Roberts preached in the Presbyterian Church on Sabbath evening last.

A car on the construction train ran off the track opposite this place on Sunday evening last, demolishing the car somewhat, but doing no serious damage. We don't suppose the car would have run off at all had the Fourth Commandment been duly respected.

Mr. Vincent, of the Erie Republican was in town over night once last week. He was somewhat "druv" with business, and could not find time to call on us. When he next visits Tionesta we will have our job department running, and he will find more leisure to visit us.

Our County Commissioners are working wonders about the Court House grounds, having put up a new fence, put down a new sidewalk, and graded the grounds, and the street in front. With a little care and expense our Court House grounds may be made one of the most pleasant places in town.

A meeting will be held in the Presbyterian Church on next Friday evening, for the purpose of organizing, electing church officers, and making arrangements for regular Presbyterian services in the future. A preparatory lecture will be delivered on Saturday afternoon, and communion services will be held on Sabbath morning at 10 o'clock.

One day last week a party from town went out fox hunting, and one of S. H. Haslet's hounds was shot by some person unknown while on the trail of a fox. The charge entered the dog's under jaw, fortunately breaking no bones. It would appear that some people are determined to be rid of hounds in this county at all hazards. They will find this plan hazardous if they are caught at it.

Wm. Neill tried to ferry the Allegheny river with a pole the other night, and found the pole too short. This is how it happened: The ferry boat had started from the other side of the river, and was about ten feet out from the staging. William seized a pole and took a run and jump at the boat. He described a quarter of a circle very accurately, but hadn't quite enough force on, and thus came to grief. He put on dry clothing when he got home.

We have sent out a number of bills to advertisers, and those who owe for job work. In some cases, those to whom we have sent bills, claim to have paid them, and to have receipts for the same. To those persons, we would say that they were not credited on the books, hence our mistake. We don't propose to collect the same bill twice. To those who know themselves indebted, we would ask payment as soon as possible, as we are about to put in a job press and a large amount of jobbing material, and therefore need the money.

We believe we have in this section the champion old couple of the State, if not of the United States. Mr. and Mrs. Allio, living about nine miles south-east of this place, are aged respectively 106 and 104 years. Each is the other's first companion. They are natives of France. Have two sons and one daughter, all living. The oldest, a son, is living on the farm with his parents. Our informant, Wm. Thomas, Esq., says they have lived where they are now, to his certain knowledge, for thirty-five years. Both are hale and hearty, and bid fair to be the "oldest couple" for several years to come. If anybody knows of an older couple than this, we would like to hear from them.

D. S. Knox & Co. are doing a big business in the way of selling furniture, but have still a splendid assortment on hand. They sell cheap, and consequently sell a great deal.

Messrs. Reynolds, Broadhead & Co. have just received a general assortment of Dry Goods, Notions, Flannels, Furs, Blankets, etc., and have on hand the largest and most complete stock of Carpets ever brought to Oil City. The character of this firm is such that we can recommend it to all who go to Oil City to trade. Messrs. R. B. & Co. don't advertise to sell below cost, but they will sell at reasonable profits, and treat all alike.

In order to accommodate their increasing trade in Dry Goods, they are closing out their immense stock of Boots and Shoes at cost. Their stock in this line consists of Men's and Boys' Boots and Shoes, Ladies' Misses' and Children's Shoes, Gaiters and Slippers of the best manufacturers. Now is the time to secure good bargains, as they will close out this branch of their stock without reserve. Everybody needs Boots and Shoes, and now is the time to get them at a bargain. 31-24.

In Common Pleas, of Forest County, No. 1, Dec. Term, 1870. Bill in Equity to perpetuate testimony.

That the estate of the above bill say, That they are the owners in fee of one hundred and fifty acres of Land, or thereabouts, situated in Harmony Township, in said County, described as follows: Being part of the Tract known as the Gitchel Survey, bounded on the north by land of George Dunlap, east by land now or formerly of J. ADDRESS

To the Nervous

AND

DEBILITATED.

WHOSE sufferings have been protracted from hidden causes, and whose cases require prompt treatment to render existence desirable.

If you are suffering, or have suffered from involuntary discharges, what effect does it produce on your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky or floaky, or is itropy on settling? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnea? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling on the subject? Do you feel dull, listless, mooping, tired of company, or life? Do you wish to be left alone, away from everybody? Does any little thing make you stiff or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? Is the bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver-complaint?

Now, reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man did you ever think that those bold, energetic, persevering, successful business-men are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast looks or any meanness about them. I do not mean those who keep the organs inflated by running to excess. Those will not only ruin their constitutions, but also those they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excess, have brought about that state of weakness in those organs that has reduced the general system so much as to produce almost every other disease—dilexy, lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic, HELMBOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.

If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of Posterity, depends upon prompt use of a reliable remedy.

Helmbold's Extract Buchu, established upward of 19 years, prepared by H. T. HELMBOLD, Druggist, 294 Broadway, New York, and 104 South 10th Street, Philadelphia, Pa. Price—\$1.25 per bottle or 6 bottles for \$6.50, delivered to any address. Sold by all Druggists everywhere.

NONE ARE GENUINE UNLESS DONE UP IN STEEL ENGRAVED Wrapper, the initials of my Chemical Warehouse, and signed H. T. HELMBOLD.
