HALL'S
Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the vegetable kingdom. It restores GREY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority. The Principal results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our **HALL'S**, and their preparation was similar to ours. Do not be deceived by them. Purchase the original; it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our **Patent** Revenue Stamp over the top of the bottle. All others are imitations.

PHYSICAL LIFE OF WOMAN.
BY GEO. H. NEPHEYS, M. D.

This treatise, pure book in the great success of the year, is now being sold. It still sells with a rapidity quite unprecedented. Agent all agents who make money faster selling it than any other. Much of the world is still ignorant. Send at once for pamphlet &c. Address: GEO. McLEAN, Publisher, Phila., New York and Boston. 23-4.

GROVER & BAKER'S SEWING MACHINES.

The following are selected from thousands of testimonials of similar character, as expressing the reasons for the preference of the Grover & Baker Machines over all others.

"I like the Grover & Baker Machine, in the first place, because if I had any other, I should still want a Grover & Baker; and having a Grover & Baker it answers the purpose of all the rest. It does a greater variety of work and is easier to learn than any other."—Mrs. J. C. Croly (Jonny June)

"I have had several years' experience with a Grover & Baker Machine, which has proved to be a most reliable and easily managed, and less liable to get out of order. I prefer the Grover & Baker decidedly."—Mrs. Dr. Watts, New York.

"I have had one in my family for some two years and soon what I know of its workings, and from the testimony of many of my friends who use the same, I can readily see how anything could be more complete and better satisfaction."—Mrs. Geo. B. Grant.

"I believe it to be the best, all things considered, and that I have known it is very simple and easily learned; it is a sewing machine of the ordinary spool is a great advantage; it is very beautiful; it is not liable to get out of order."—Mrs. A. M. Spencer, 36 Bond St., Brooklyn.

"I am acquainted with the work of the principal machines, and I prefer the Grover & Baker to them all, because it does the stitch more elastic. I have worked in the house which was done nine years ago which is still good."—Mrs. Dr. McCready, No. 43 East 23d Street, N. Y.

"More than two-thirds of all the sewing done in my family for the last two years has been done by Grover & Baker's Machine, and I never had a garment rip or need mending, except those rents which iron-stomachs will make in whole cloth. It is, in my opinion, by far the most valuable machine I have tried."—Mrs. Henry Ward Beecher.

"The Grover & Baker Sewing Machine has rendered in every respect, the most perfect satisfaction. It combines so many advantages with beauty of execution, that it is in my opinion, the best sewing machine in every household."—Mrs. Governor Geary, Harrisburg, Pa.

"I have had the Grover & Baker Machine for ten or twelve years in constant use in my house. I have seen and known every kind of Family sewing machine, both personal and household, accomplished upon the Grover & Baker Machine, to the entire satisfaction of all concerned."—Rev. Stephen H. Young.

"I find the Grover & Baker Stitch will wear as long as the garments do—outwear the garment in fact. The stitch will not break on thin seams, which is so often the case; and neither does it draw the work."—Mrs. Dr. Whiting, 4 East twenty-fourth street, N. Y.

UNCURRENT MONEY.

The highest Cash Price paid for the old State Bank Currency of Bank of Crawford, Venango Bank, Oil City Bank, Petroleum Bank, or any of the Old State Bank issues; also for the Scrip of Oil Creek, A. H. STEELE, Cashier, 48 2d Street, Titonesta Savings Bank.

A WATCH, pair of Blankets, Quilt or Shawl, for One Dollar, appears almost impossible, but such may be had, and hundreds of other useful articles, by patronizing GEO. A. PLUMMER & CO'S "ONE DOLLAR SALE."

Their system of doing business has been examined by the authorities, and a Decision rendered from the Internal Revenue Department, at Washington, dated Nov. 4th, 1868, declaring their business perfectly fair and legitimate, and entirely different from the different gift enterprises. Of course all do not get watches, blankets, etc., for One Dollar, but in every large club, one of these articles are sold for One Dollar, as an extra inducement, and some member of the club has the chance of obtaining it. A new feature, introduced by this enterprise, is to pay their agents in cities, cash or merchandise, and to prepay the express charges. No better opportunity can be offered to citizens of getting something having leisure time, to form clubs for this form.

Why
Is it that Dr. Roback's Stomach Bitters increase in sale every year?

Because
They are the best combination ever made.

Why
Do the Druggists recommend Dr. Roback's Bitters to their customers?

Because
After years of experience and trial they have been proven to be a sure cure for Dyspepsia and Indigestion.

Why
Is it that Physicians use and recommend Dr. Roback's Sugar-coated Blood Pills?

Because
They know the ingredients of which they are made.

Why
Are Dr. Roback's Blood Purifier and Blood Pills the best remedies taken together for the cure of all diseases of the blood?

Because
The Blood Purifier is the only article in the market which contains the celebrated costly Drugs imported expressly from Sweden for its manufacture, and the Pills contain the active principle of Podophyllum (Mandrake Root) and is a substitute for Mercury.

Why
Are Dr. C. W. Roback's Stomach Bitters, Blood Purifier and Blood Pills the three greatest remedies the world has ever known?

Because
After eleven years' experience and trial the sales have increased each and every year, and thousands of letters (unsolicited) of the remarkable cures they have performed bear witness. Read the letters in Local Column of cures by these medicines.
