# vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no prepar-ation for the hair has yet been dis-covered that will produce the same beneficial results. It is an entirely new scientific discovery, combin-ing many of the most powerful and restorative regents in the VECET. ing many of the most powerful and vestorative agents in the VECET-ABLE KINGDOM. It restores CREY IMIR TO ITS ORIGINAL YOUTH-IUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the natritice principle by which the hair is noarished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a 11 AI is DILESSING. It is the chaptest preparation ever offered themest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

then three bottles of day other preparation.

It is recommended and used by the First Medical Authority.

The Wonderful results produced by our Sicilian Hair Renewer have induced many to manifacture preparations for the Hair, under visions names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falschood, by claiming they were former partners, or had some cannection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Bereune Stamp over our private Revenue Stamp over the top of the bottle. All others are imitations.
