-Meadville, Franklin and Titusville have been for some time enjoying first class performances of all kinds, including lectures. At no time within our recollection have so many choice entertainments been presented in these places. They all appear to have been well patronized. We believe the Richings English Opera Combination has been the largest "show" which has favored the oil regions. The reason the troupe did not visit this place was because Prof. Weber had just been playing some of his new pieces and they did not want to come in competition with him.

-Some wretch, not having the fear of the law before his eyes, "lifted" about \$5 in change, which we had laid away for a rainy day. It was in our office, and was taken during our absence last week. Members of the fraternity may not pity us much, for, they will say, "what busines hass an editor with so much money shead?" Beside this, our people have been called upon to contribute to the support of a Presbyterian Minister, to preach here at stated intervals, say once in two or three weeks, and they have responded in such a hearty manner that we are secured for services for one year at least. As the society here only numbers something like half a dozen members, this is very encouraging. Is your mind constantly dweiling on this subject? Do you feel dull, listless, moping, tired of company, or life? Do you wish to be left alone, away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well?
