# **GROVER & BAKER'S**

The following are selected from thous ands of testimonials of similar character, as expressing the reasons for the preference of the Grover & Baker Machines over all others.

all others.

\* \* \* "I like the Grover & Baker Machine, in the first place, because if I had any other, I should still want a Grover & Baker; and having a Grover & Baker it answers the purpose of all the rest. It does a greater variety of work and isensier to learn than any other,"—Mrs. J. C. Croly (Jenny June)

\* \* \* "I have had several years' experience with a Grover & Baker Machine, which has given me great satisfaction. I think the Grover & Baker Machine is more easily managed, and less liable to get out of order. I prefer the Grover & Baker de-cidedly."—Mrs. Dr. Watts, New York.

\* \* \* "I have had one in my family for some two years; and from the testimony of many of my friends who use the s.me. I can hardly see how anything could be more complete or give better satisfaction."— Mrs. Gen. Grant.

\* \* \* "I believe it to be the best, all things considered, of any that I have known It is very simple and easily learned; the sewing from the ordinary spools is a great advantage; the stitch is entirely reliable; it does ornamental work beautifully; it is not liable to get out of order,—Mrs. A. M Spooner, 36 Bond St. Brooklyn.

\* "I am acquainted with the work of the principal machines, and I prefer the Grover & Baker to them all, because I con-sider the stitch more elastic. I have work in the house which was done nine years ago which is still good."—Mrs. Dr. Mc-Cready, No. 43 East 23d street, N. Y.

"More than two-thirds of all the sewing done in my family for the last two years has been done by Grover & Baker's Machine, and I never had a garment rip or need mending, except those rents which trollesome boys will make in whole cloth. It is, in my opinion, by far the most valuable of any I have tried,"—Mrs. Henry Ward Beecher,

\* \* "The Grover & Baker Sewing Machine has rendered in every respect, the most perfect satisfaction. It combines so many advantages with heauty of execution and economy in price that it is a necessiving years, bousely, id."—Mrs. Government

"I have had the Grover & Baker Ma-"I have had the Grover & Baker Ma-chine for ten or twelve years in constant use in my house. I have seen and known every kind of Family sewing, both per-sonal and household, accomplished upon the Grover & Baker Machine, to the entire satisfaction of all concerned,—Rev. Stephen H. Tyng.

H. Tyng.
"I find the Grover & Baker Stitch will wear aslong as the garments do—outwear the garment in fact. The stitch will not break on bias seams, when stretched, as others do; and neither does it draw the work."—Mrs. Dr. Whiting, 4 East twen-ty-fourth street, N. Y.
