The election in New Hampshire has been carried by the Democrats by a small majority. Our Democratic exchanges are airing their roosters, and two and a half minutes, while Clark feeling good generally. Following so was betting it would take three minclose upon the late unpleasantness at utes. Several rounds were fought, in Washington between Mr. Summer and when he borrowed a revolver from one the United States Sentate, the news of his friends, with which he deliberdoes not create that surprise that it ately shot Clark in the breast, inflictmade by our Senate. When this is dried up, we shall again have our usual victorics and majorities. inch below the right hippie, and near the breast bone. Upon shooting Clark, Melvin immedeintely gave the revol-ver to the friend who had loaned it, and GREENVILLE, PA., Mach 16, 1

Watch Him.

An infamous scoundrel, passing un-der the name of Dr. Emmett, and pre-tending to be a dentist, has been in duping our decaying and toothless and no feat friends into the belief that he could tertained. duping our decaying and to could friends into the belief that he could do better and cheaper dentistry than our home practitioners. On Monday iast a highly respectable young lady of this place employed him to fill a tooth for her, and during the operation the brute kissed her, and undertook indecent liberties. The father and mother of the young lady being away from home on a visit, she at once sough her father's friend and neigh-bor, I. S. Allen, Esq., who at once pro-devil, and administered a dose of Hee-devil, and administered a dose of Hee-devil, and administered a dose of Heepromised, and fully complied, to take the first train, either East or West, leaving Warren.

He is about 40 years of age, dark hair, and a cripple. He evidently pos-sesses talent sufficient to talk well, and with a sweet smile, is without doubt a villain of the deepest dye. The pub-lic should watch him .- Warren Ledger.

-The following we take from the Petroleum Centre Daily Record :

Operations on the R. L. Shaw farm, and adjoining farms, remain quite lively. Our townsmen, Messrs. Tarbell and Hess, recently struck a ten barrel well in that vicinity. A large number demanded liquor. Mr. Brown, the of new wells are going down and bar-keeper, thinking he had sufficient others in prospect.

During the heavy rain storm, accompanied by thunder and lightning, night before last, a man named J. D. Gould, a resident of Dempseytown, this county, while at work in a derrick near Tidioute, was struck by lightning and instantly killed. Mr. G. and another workman were engaged in sand-pumping the well at the time the lightning struck the derrick. His companion was rendered insensible from the effects of the electricity and did not recover his senses for some time. The deceased leaves a family to mourn his untimely death.

One Cooper, a reputed Raptist bone or cutting an artery. The wound beavy lady, heavy lady duplicate promenade, all gals to the center fellers catch hold of each other,s hands, bob up and bown, each fellow takes his gal back to place. It is the most hurtful thing in the like wall in six days?"

Shooting Affray.

On Friday night last, between the hours of twelve and one, a row occur-red in Pew's billiard saloon, Petroleum Centre, resulting in the shooting of a man named William Clark, of

Brown farm. The row was the result of a too free use of liquors, and was Republican : occasioned by a difference of opinion that existed between Clark and James

Melvin, a Centreite. Melvin was con-fident that he could "lick" Clark in newspapers of that persuasion are illus-trated by the Democratic crow-hird. The cock crew when Peter denied his Lord and Master, and the voice of that fowl is only heard in Democratic newspapers when treason triumph.

A colored babe was found in an attic in Broas' Row, Titusville, yesteretherwise would have done. We ac-cept this as a punishment for a mistake The ball entered his body about an er, and was nearly frozen. The mothinch below the right nipple, and near | er was arrested and finally acknowledg-

Description of a Quadrille

-We clip the following from the Bulletin Raftsman's Journal :

A correspondent informs us that, on

Wednesday night, March 8th, between 12 and 1 o'clock, a shooting affair came off at the "American House" in It is described "thusly" by a young man who tried it : "We both bowed to both of us, and then the fiddle Curwinsville, the facts of which are tunked and the thing started. I grabsubstantially as follows: A young man named Jack Robison came in and bed tor her female hand, she squeezed mine, slung each other then changed base clear across the room, jumped up and down over so many times, then my already, refused to comply with the dedear me doz d a due and hop-scotched mand, whereupon Robison drew out a home agin (from a foreign shore); then pistol, and the bar-keeper retreated. Robison then called up Mr. Reed, the we two forward, four ladies change, we X over, turned around twice, chas proprietor, and repeated his demand for liquor. Mr. Reed refused to grant sayed sideways, I backed to place she dittoed; side couples to the left the request and thrust Robison into side couple turn gentleman, side couples turn ladies, ladies turn side the street whereupon the latter attempted to break in the door. Mr. R. tempted to break in the door. Mr. R. then stepped out and caught Robison by the wrist and the break in the down is the state of the sta by the wrists and threw him down, Robison having the pistol in his hand at the time. While in this position, Robison fired; the ball entering Mr. Reed's left leg just above the knee and Mr.
