for the following:

Our jail is, at present, without an occupant. Here is a good opening for some enterprising young man.

Jas. Hagerty gave us the dimensions of an egg, the other day, which measures 74 inches around the long way, and 64 inches around the biggest way;

Whyke. The gas caught fire from the to the ground the property of the property of the gas caught fire from the to the ground the property of the gas caught fire from the to the ground th its weight is four ounces. The egg forge, at the instant the vein was to the ground. He remained seaseless was produced by a smallish Spanish struck, causing an explosion which for a short time, when he became conhen, and at last accounts the hen was doing well.

-The following from the Clarion Democrat:

Richland township, this county, nearly opposite the head of the island be made this season in Richland and Perry townships.

A FIGHT.-A Reidsburg correspondent says:

"On last Friday evening two young men in the vicinity of Reidsburg, who wished to make a display of their pugilistic qualities, assailed each other in front of Snyder's shop, greatly terrifying a company of young ladies, who were passing at the time. The contest was soon broughs to a termination by timely display of the white der, by one of the antagonists who so unsuccessfully dealt the first blow."

Rising Sun, published at Emlenton:

some scoundred succeeded it stealing and twenty-five barrels daily. This ceived every attention the case demandover \$100 from the till in the store of Henry Gormley, of this place, during as not more than five barrels a day McHenry county. Illinois, were his temporary absence. As yet no ar have been secured since the first head
