O. C. & A. R. TIME TABLE.

Table with columns for Mail, Express, and Depart. Times for various routes.

LOCAL AND MISCELLANEOUS.

—Don't go back on your newspaper. A subscriber to an Iowa paper recently stopped it, and the next week he was nearly kicked to death by a horse.

—Prof. Weber kindly favored us with his company and some first class music on the violin the other day. The Prof. is chuck full of melody and he is not at all stingy of it.

—A social gathering was had at the residence of H. H. May, Esq., on Thursday evening last, where all enjoyed themselves to the full extent of their capacity.

—Capt Knox has bought the Rath-bun House, and has torn it down and moved the lumber to the lot adjoining Wm. Dimond's house, where he will put up a building for rent.

—A donation for the benefit of Rev. S. Burton will be held in the Good Templar's Hall on this (Tuesday) evening. The committee don't wish to slight any one, and therefore everybody is invited to attend.

—S. D. Irwin and wife are fixing up the "Brown House" preparatory to housekeeping and P. O. Conner proposes to move his office up stairs and occupy the lower part of his building as a dwelling.

—A good Templars Convention is to be held in Meadville on the 12th and 13th of April. Six delegates were elected from Tionesta Lodge, viz: Mrs. J. A. Dale, Mrs. J. B. Agnew, Messrs. A. H. Steele, Dr. Winans, Rev. Burton and J. P. Siggins.

—Roberts, Hays & Co. have been getting out ties up the creek, about Oldtown during the past winter, and we are informed that they have now ready for market 300,000 of them. This will no doubt prove a profitable winter's work for the firm.

—Receiving amounts due on subscription is always in order at this office, especially now, that we are just starting in on a new volume. If any of our subscribers are troubled with loss of sleep or appetite, indigestion or bad luck, let them see that their newspaper account is squared, and if they don't get better immediately, why they need some medicine.

—The well of Grove & Wolcott, on the Sowers Farm is down about 440 feet and progressing finely, with indications of success. Some difficulty has been experienced in keeping the water out of the well, but this will soon cease to trouble them. There is no doubt that there is oil in paying quantities on this farm; and we would as soon see Grove & Wolcott get it as any one else.

—A Clerical gentleman in this vicinity, received, last winter, anonymously, a loaf of very poor bread. Not being able to eat it himself, he fed it to his cow, and had to sit up nights with her for some time after. We suppose the person who contributed the bread was doing it in accordance with the scripture text: "Cast thy bread upon the waters," &c., but we have no faith that the bread contributed came up to the standard of the bread referred to in the text.

—It will be seen from a notice published in another column, that our old friend, Fid Bishop, of Oil City, is a candidate for County Treasurer of Venango County. Fid has been one of the most zealous workers in the party for many years, and is a worthy and competent person for the position to which he aspires, and we think the party will honor itself by honoring him.

—March went out after the most lamb-like pattern, and April came in accompanied with snow, rain, &c.

—The Tionesta Temple of Honor has rented the Good Templars' Hall to hold their meetings in. The regular meetings are on Saturday evening of each week.

—Several persons were "fooled" on the first of April in our borough, but all was conducted in such a manner as to leave no bitterness in the hearts of those who had been the victims.

—Trout-fishing is now in order, and we expect to soon see strings of the speckled luxury dished up about here. We may always be found in our office, over Knox's Store. Don't bring them all on the same day.

—Alex. Dale performed a surgical operation on his foot with an ax. He was laid up a day or two, but we notice him on the streets again. In the words of the old lady, we would remark, "Always cut from you'self and you never cut you'self."

—Tidoute is having a course of lectures by "home talent." Maj. McClintock, of the Journal delivered the eighth lecture of the course, having for his subject, "Sundries." When Tidoute gets short of talent wants some that is first class, let them apply to Tionesta.

—W. W. Mason got to feeling so hilarious over the New Hampshire elections that he couldn't rest until he got at and sprained our ankle. We hope he feels better now, but we can assure our readers that we don't. Mr. Mason is now prepared to receive any kind of news with perfect coolness. We however, being confined to the house by reason of our misfortune, do not expect to hear much news of any kind, and our subscribers must not grumble if we do not keep them as well posted as we do when we enjoy our usual health.

—Our borough schools closed on Friday last, until further notice. An exhibition of the talent of the school, with a little outside assistance, will take place at Forest Hall, on next Friday evening—admission 10 cts. After this event Prof. Porter "folds his tent like the Arab, and" diggett out,—whereabout he has not just yet decided. His lofty form and heart-rendering smile will be missed from among us, and, as the Professor is a bachelor, we don't know but some of our young ladies are sorrowing silently because he goeth. He is going to get all his job work done at this office, he says, since we printed that magnificent programme for him, but we are afraid he is preparing a job that would more properly come within the range of a minister or a 'squire. We verily believe that the Professor would make an excellent family man.

—Informant Wanted.—John P. Nolan, aged twenty-two and a printer by profession, having been absent from his home in Bellefonte, Pa., near two years, and nothing having been heard of him by his mother during that time, has caused her great uneasiness. Last heard from him he was in Corry, Pa. Any information concerning him, addressed to T. B. Nolan, Adjutant General's office, Washington, D. C. will be thankfully received. Exchanges please copy.

—THE BEAVER SEMINARY.—This most excellent school so favorably known now for several years to some of the leading families of our county, closed its winter term last week. Miss Susie May and Minnie Hunter, of our village had part in the musical portion of the exercises. The Spring Session opens April 4th. Send for catalogue to Rev. R. T. Taylor, Beaver, Pa.

Newspaper Laws.

We would call the special attention of Post Masters and subscribers to the FOREST REPUBLICAN to the following synopsis of the Newspaper laws:

1. A Postmaster is required to give notice by letter, (returning a paper does not answer the law), when a subscriber does not take his paper out of the office, and state the reason for its not being taken.—Neglecting to do so makes the Postmaster responsible to the publisher for the payment.

2. Any person who takes a paper from the Post office, whether directed to his name or another, or whether he has subscribed or not, is responsible for the pay.

3. If a person orders his paper discontinued, he must pay all arrearages, or the publisher may continue to send it until payment is made, and collect for it.

4. If the subscriber orders his paper to be stopped at a certain time, and the publisher continues to send, the subscriber is bound to pay for it if he takes it out of the Post Office. The law proceeds upon the ground that a man must pay for what he uses.

The courts have decided that refusing to take newspapers and periodicals from the post office, or removing and leaving them uncollected for, is prima facie evidence of intentional fraud.

To Nebraska, California, and Kansas, and the B. & M. R. R. Lands.

The "Burlington Route," so called, lies, right in the path of the Star of Empire. It runs almost immediately in the center of the great westward movement of emigration. Crossing Illinois and Iowa, it strikes the Missouri river at three points.

These three points are the gateways into three great sections of the trans-Missouri region.

The Northern gate is Omaha, where the great Pacific road will take you to the land of gold and grapes, sunny mountains, and perpetual summer.

The middle gate is Plattsmouth, which opens upon the south half of Nebraska, south of the Platte river, a region unsurpassed on the continent for agriculture and grazing. Just here are the B. & M. Railroad lands, concerning which Geo. S. Harris, the land officer at Burlington, Iowa, can give you all information, and in the heart of them is Lincoln, the State Capital and present terminus of the road.

The Southern gate leads to Kansas, by connections with the St. Joe Road at Hamburg, running direct to St. Joe and Kansas City.

The trains of the Burlington run smoothly and safely, and make all connections. It runs the best of coaches, Pullman Palace and Pullman Dining cars, and should you take the journey for the journey's sake alone, you will be repaid; or take it to find a home or a farm, and you cannot find either better than among the B. & M. lands, where you can buy on ten years' credit, and at a low price.

CARPENTERS, Blacksmiths, Saw mill men, Oil men, and other citizens of Forest county, who are in want of anything in the Hardware line, should go to Andrews & Co., Tidoute. They have the largest stock in this section of the country. They are making and repairing all kinds of Machinery and Saw mill castings at short notice 4-1f.

A. H. STEELE, Cashier Tionesta Savings Bank, has been appointed agent for the celebrated "Laman Line Ocean Steamers," at this place. Any person desirous of going to Europe or bringing friends to this country, will do well to call on Mr. Steele, who will furnish them with all the information required.

—M. P. Jenks, Jeweller, Meadville, Pa., is selling Watches, Jewelry, Chains, Diamonds &c., at 20 per cent. below marked prices. Several of our citizens have patronized him, and find him "square." Give him a call. His establishment is on the corner of Water and Chestnut Sts., in Cullum block.
