Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has get been discovered that will produce the same beneficial results. It is an entirely new scientific discovery combining many of the most powerful and restorative agents in the VEGEY-ABLE KINGODM. It restores CREY HAIR TO ITS ORICINAL YOUTH-FUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it farnishes the nutritive principle by which the kair is nourished and supported. It makes the hair moiet, soft, and glossy, and is unsurpassed as a transfer of the hair the transfer of the hair moiet, soft, and glossy, and is unsurpassed as a glossy, and is unsurpassed as a HAIR DEESSING. It is the the public, as one bottle will ac-emplish more and last longer than three bottles of any other

than three boilles of any other preparation.

It is recommended and used by the First Medical Authority.

The Wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be decived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with vertificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
