Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery combining many of the most powerful and restorative agents in the VEGET-ABLE KINGDOM. It restores GREY HAIR TO ITS ORIGINAL YOUTH-FUL COLOR. It makes the scalp white and clean: cures dandruff and humors, and falling out of the hair; and will make it grow upon baid heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the the public, as one bottle will ac-complish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority. The Wonderfut results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Har, with certificates, sent free by until. See that each bottle has our private Revenue Stamp over our private Revenue Stamp over the top of the bottle. All others

GROVER & BAKER'S SEWING MACHINES.

The following are selected from thousands of testimonials of similar character, as expressing the reasons for the preference of the Grover & Baker Machines over

"I like the Grover & Baker Machine, in the first place, because if I had any other, I should still want a Grover & Baker; and having a Grover & Baker it answers the purpose of all the rest. It does a greater variety of work and iseasier to tearn than any other,"—Mrs. J. C. Croly (Jenny June)

** * "I have had several years' experience with a Grover & Baker Machire, which has given me great satisfaction. I think the Grover & Baker Machine is more easily managed, and less liable to get out of order. I prefer the Grover & Baker decidedly,"—Mrs. Dr. Watts, New York.

"I have had one in my family for some two years; and from what I know of its workings, and from the testimony of many of my friends who use the same, I can hardly see how anything could be more complete or give better satisfaction."—Mrs. Gen. Grant.

It is, in my opinion, by far the most valuable of any I have tried."—Mrs. Henry Ward Beecher.

* * "The Grover & Baker Sewing Machine has rendered in every respect, the most perfect satisfaction. It combines so many advantages with beauty of execution and economy in price that it is a necesity in every household, "—Mrs. Governor Geary, Harrisburg, Pa.
